Youth Hockey, Baton Twirling,
Pop Warner Football, Little League
Baseball, YMCA, Senior League Baseball,
Drill Team, Bicycle Team, Tennis Club,
Arts Council, Men's Softball, Youth Center,
Youth Soccer, Boy Scouts, Girl Scouts
and Campfire Girls.

GEORGE R. MARSHALL

1895 – 1981

The 1981 Annual Town Report is dedicated to the memory of Mr. George R. Marshall who passed away April 21, 1981. Mr. Marshall was a member of the Town Report Committee for several years and designed the covers of the annual reports from 1974 through 1977. His designs included the Walpole Town Hall on the cover and also the Blackburn Memorial Building.

TOWN BOARD MEETINGS

Selectmen

Meets every Tuesday at 7:30 p.m. in the Town Hall.

Finance Committee

Meets on Mondays at 7:30 p.m. in the Stone School.

School Committee

Meets on the first and third Mondays at 7:30 p.m.
(Call School Administration Officer for location of meeting)

Planning Board

Meets every first and third Thursdays at 7:30 p.m. in the Town Hall.

Board of Health

Meets on the first and third Tuesdays at 7:30 p.m. at Board of Health Office in basement of Town Hall.

Sewer and Water Commission

Meets every second and fourth Wednesday at 7:30 p.m. in the Town Hall.

Board of Appeal

Meets on the first and third Wednesdays at 7:30 p.m. in the Town Hall.

Personnel Board

Meets on the first and third Mondays at 7:30 p.m. in the Town Hall.

Board of Assessors

Meets every Wednesday from 7:00 to 8:30 p.m. in the Town Hall.

Library Trustees

Meets on the third Monday at 7:30 p.m. in the Main Library on Common Street.

Housing Authority

Meets on the first Monday at 7:30 p.m. at the Housing for the Elderly Project,
No. 9 Neponset View Terrace.

Conservation Commission

Meets on the first and third Wednesdays at 7:30 p.m. in the Town Hall.

Industrial Commission

Meets every second Tuesday at 8:00 p.m. in the Town Hall.

Council on Aging

Meets on the fourth Thursday at 7:30 p.m. at the Stone School Senior Center.

Recreation Committee

Meets on the second Tuesday at 7:30 p.m. in the Director's Office, downstairs, Town Hall.

Historical Commission

Meets on the fourth Tuesday (except July, August & December) at 7:30 p.m. at Lewis House.

Meetings Subject to Change.

GENERAL GOVERNMENT

BOARD OF SELECTMEN

WALPOLE SELECTMEN, seated left to right, Frank A. Farinacci, John F. Campbell, Alan D. Rockwood; standing, James P. Ginley, Clement Boragine.

Again in 1981 as in 1980, the Board saw the return of a veteran to its ranks in the person of Clement Boragine. At the Selectmen's reorganizational meeting John F. Campbell was elected Chairman and Frank A. Farinacci was elected Clerk. Ms. Bette Oulton was appointed secretary to the Board upon the resignation of Ms. Nancy McGrath; and Philip H. Macchi was appointed Town Counsel upon the resignation of Alphonse W. Query, Jr.

During this year, the Board was faced with making some very tough decisions that would have a lasting impact on the Town. Among these decisions was the sale of Bird School and Old Fisher School. The Board was also faced with the reality of a future move to new quarters in the new Town Hall.

The Board would like to thank the Town Administrator and the Assistant Town Administrator for their diligent help in the making of these decisions.

TOWN ADMINISTRATOR

It is with a great deal of pleasure that I submit my third Annual Report as Town Administrator.

As the Chief Executive Officer of the Town, this Department is responsible for the day-to-day operation of most municipal departments. In addition, the Town Charter places such functions as personnel, budgeting, central purchasing within this office. My staff and I assist in processing information on municipal operations and coordinate policy implementation with the Board of Selectmen, Sewer & Water Commissioners, Finance Committee and other elected and appointed Offices and Boards.

As expected 1981 proved to be a year of challenge and uncertainty as the Town attempted to effectively deal with the implementation of Proposition 2½. I believe that the many radical changes resulting in some cases in a reduction in the scope and quality of Town services was done in an open-minded and professional fashion by Town employees. The results were that total Town appropriations were reduced by about 5% in FY 82 and a \$750,000 FY 81 deficit from the reduction in the Motor Vehicle excise tax rate was absorbed within a FY 82 tax rate which, when set by the Board of Assessors, should be less than \$23 Town-wide Revaluation. Increased State aid and a four year prior history of a stable or declining tax rate has produced a property tax levy below the limits required by Proposition 2½ and one that will compare very favorably with other municipalities of similar population.

This lower level of spending during 1981 did require the implementation of programs on a reduced scale. Some effects included the reduction in the number of full-time municipal employees from 150 to 135, closing of the solid waste transfer station, closing the North Branch Library, a program to eliminate street fire alarm boxes, reduction in number of school crossing guards, reduced snow plowing budget, elimination of private security for Town buildings, reduced support of non-profit health and welfare organizations and a minimal capital improvement program. The severity of these reductions were lessened by the strides made by Department Heads to operate more efficiently and innovatively adapt to the lower level of appropriations. Obviously, fiscal restraints will require continued attention to insure that disruptions encountered by the Townspeople are kept to a minimum and they continue to receive the best possible mix of services given the available resources available to fill them.

After years of study, the Town took comprehensive action to resolve the many issues related to municipal space needs and the reuse of vacant school buildings. An Ad-Hoc Committee which was formed in November of 1980 by the Board of Selectmen worked diligently during 1981 producing excellent results. The committee was composed of Alan Rockwood (Selectman), Susan Maguire (School Committee), David Wakefield who was later replaced by Mary Harrington (Finance Committee), Ron Fucile (Permanent Building Committee) and myself. Recommendations which were adopted by the Spring Annual Town Meeting included:

- Demolition of Old Stone School — This was completed in November.
- Rental of the former School Administration building at the DPW Yard. A lease was signed in August with Marathon House which provides emergency adolescent shelter.
- Sale of Old Fisher School. After a comprehensive solicitation and review of proposals the Board of Selectmen designated the Old Fisher Trust as developers. Plans are to convert the building into professional offices. Bid price was \$131,000.
- Sale of Bird School. Using the same proposal process as with the Old Fisher School, the Board of Selectmen designated Washington Green Associates as the developer. Plans are to build a total of 79 condominium units of which 29 are contained within the former School building. Bid price was \$434,482.
- Conversion of the New Stone School into a New Town Hall and School Administration offices. Contracts for the estimated \$200,000 in renovation work have been awarded and the work should be completed early in 1982.
- Conversion of the former Town Hall into a new Police Facility. Plans should go out for bids in the Spring of 1982. Expected cost of the project is in the \$400,000-\$500,000 range.
- The former Police Station will be used by the Fire Department and other municipal functions. No significant renovation expenses are budgeted for this reuse.

It should be noted that this adopted proposal should effectively address the space needs of the

Town for the next fifteen years. The impact on taxes as a result of this program is minimal as monies from the sale of properties plus the use of the Stabilization Fund should eliminate the need to borrow or appropriate from taxation in order to undertake the proposed renovations. I wish to publicly thank the other members of the committee for their hard work and imagination which were critical factors in the development of this program.

Labor relations and contract negotiations continue to be an on-going, time-consuming function of this office. We are pleased to report that for the second year all labor contracts are current, however, the Department of Public Works, Library and Police contracts expire June 30, 1982, which means a continued intense involvement by the Assistant Town Administrator and myself in the months to come. A contract with the municipal clerical unit was approved by Town Meeting in February. This contract is for three years beginning July 1, 1980. A one year contract for both the Department of Public Works and Library units and a wage clause adjustment for the Police Department unit were voted by Town Meeting in June. A two-year accord starting July 1, 1981 was reached with the Firefighters union and approved in late October. I believe the Town and its employees can take a certain amount of satisfaction in the fact that only the Clerical contract required extensive mediation efforts by an outside agency.

Several notable public works projects were started and/or completed during this calendar year. Perhaps the two most visible undertakings were the removal of the East Street bridge and the completion of the Allen Dam. The East Street bridge removal had been sought by the Town under different schemes for many years. The State DPW started work in late September and

completed most of the work except the final overlay of asphalt in mid-December. By filling the abandoned railroad right-of-way, a considerable expense and future maintenance problem was eliminated. Once again, Route 27 will become the truck route through Walpole eliminating this traffic burden from such local streets as Common Street. The Allen Dam on Washington Street, which is the first phase of the Diamond Brook Flood Control Project of the U.S. Soil Conservation Service, was completed this summer after years of planning. The total project cost was \$480,000 with the Town's share coming to \$45,000. The lake which was created will provide for passive recreational and conservation uses for Walpole residents as well as perform its flood control function. The second phase of this project which includes the installation of large drainage culvers from Memorial Pond to the Neponset River is slated to begin next summer.

Ms. Elizabeth Oulton, who had served as Administrative Secretary to the Town Administrator for eight years, was appointed Secretary to the Board of Selectmen. I am appreciative of her efforts on the Town's behalf and am certain she will continue to serve the Town well in her new position. Ms. Jean St. George was hired to replace Ms. Oulton in July. She has done a superb job these past months in orienting herself to the office and has made an outstanding contribution to the operation of this Department. In closing, I would again like to express my sincere appreciation to the Board of Selectmen, other Town Boards and the public for the support and confidence placed in me this past year. Because of my staff and other Town employees, I am optimistic that despite the many difficult issues facing the Town, we will successfully meet the challenges of the 1980s.

BOARD OF APPEALS

The Board of Appeals has jurisdiction over appeals from rulings of administrative officials of the Town made under the Zoning By-Laws. Certain uses of premises require a Special Permit from the Board of Appeals. In addition, the Board of Appeals has authority with respect to particular premises to authorize a Variance from the terms of the applicable provision of the Zoning By-Laws in certain instances. These powers provide a local tribunal familiar with local problems.

The Board acts only after a public hearing. Notice of the hearing must be published in a newspaper and also sent by mail to the petitioners and to the owners of all property deemed by the Assessors to be affected by the proceeding, including the abutters of the land in question and

the owners of the land next adjoining the land of the abutters and to the various departments and boards of the Town. The Board's hearings are always public and any person, whether entitled to notice thereof or not, may appear in person, or by agent or by attorney. When the board has reached a decision on any matter, the decision is reduced to writing and filed with the Town Clerk and Building Inspector, and notice of the decision is given to the persons believed to be entitled to notice of the hearing.

The Board consists of five regular members and three associate members. They meet on the first and third Wednesdays of the month in the Selectmen's Meeting Room.

In 1981 they held 86 public hearings.

PROTECTION OF PERSONS AND PROPERTY

POLICE DEPARTMENT

Police Statistics

The Walpole Police Department is once again pleased to provide the police activity statistics for the year 1981. As you will see, in some areas we have had an increase; in others a decrease. None of these areas are predictable, of course, since many factors, economical and social in nature, enter into the picture. But it does give you some idea as to how your police department has operated during the past year.

In- and Out-Service training has been conducted in many fields of law enforcement in order to bring all officers up to the standards expected of them. In February 1981, Sergeant Paul J. Poirier retired from the department after twenty years of dedicated service to the community. In November 1981 Patrolman John D. Griffith was appointed to the force, filling a vacancy created by the resignation of Patrolman James Waldron who left to further his career in Florida. Our traffic division was given an added strength by the purchase of a Police Motorcycle through funds obtained from the Governor's Highway Safety Bureau.

All in all, we feel the police department has performed efficiently during 1981 and has carried out its duties with dispatch and dedication.

The police statistics follow.

	1980	1981	Dollar Value 1981
Arrests	253	297	
Protective Custody	162	153	
Robbery	5	2	\$260.
Rape	4	1	
Burglary (Breaking & Entering)	217	171	306,209
Larceny	459	374	138,396
Motor Vehicles reported stolen	152	152	707,835
Motor Vehicles recovered	96	101	522,250
Assaults	35	46	
Homicide	0	0	
Arson	13	30	120,653
Malicious Destruction of Property	327	318	85,176
Motor Vehicle Accidents Covered	492	502	
Fatal Motor Accidents	2	2	
Motor Vehicle Citations Issued	3458	2421	
Ambulance Calls	447	400	
Sudden Deaths	14	16	
Value of Property Stolen	\$1,264,017	\$1,358,529	
Value of Property Recovered	\$434,607	\$537,157	

Money Returned to the Town of Walpole for Police Activities in Various Areas

	1980	1981
Court Fines Returned	\$57,381.30	\$61,737.65
10% Service Charge on Outside Police Details	\$8,738.68	\$8,840.70
Ambulance Calls Paid	\$27,612.00	\$14,676.04
Total Dollars returned to Town	\$93,731.98	\$85,254.39

ANIMAL CONTROL OFFICER

It's with great pleasure that I submit the following annual report of the Animal Control Officer to the Town of Walpole for the year 1981.

We are currently conducting a Dog Study Committee to review, update, and change the Dog By-Laws and Fines for the following reasons:

1. To make an effort to enable the office of the Animal Control Officer to be financially self-supporting, so as to aid the tax payer.
2. To improve the Dog Enforcement Laws—it has been almost five years since the fine structure was set up by the previous Dog Study Committee—we now need a change because of the times. My goal is to license all dogs in the Town of Walpole and enforce the leash law.

I am happy to say that, currently, approximately half of the total expense to operate the

Animal Control Office is returned by Fines and License Fees.

Annual Report for the Year of 1981

Lost Dogs	149
Strays Picked	168
Dogs Claimed By Owners	133
Dogs Sold	20
Dogs Destroyed	0
Dog Bites	60
Signed Complaints	85
Citations Issued	135
Complaints Received & Answered	1,182
Calls Made By Animal Control Officer	2,054
Total Calls Received & Answered	2,402
Enforcement (dogs caused to be licensed) Kennel 74	2,075
Kennels Inspected	98

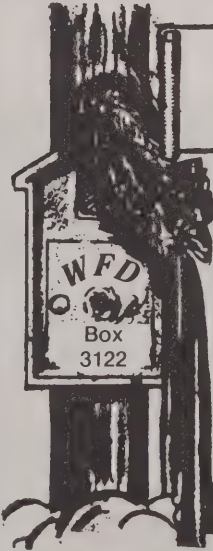

FIRE DEPARTMENT

In March, 1981, Deputy Chief Joseph Brooks retired. He was with the call section of the department for 43 years. He was appointed Captain in 1942, District Chief in 1947, and Deputy Chief in 1962. Joe was an excellent firefighter and officer and was well liked and respected by all department personnel.

The entire department was saddened by the unexpected death of retired Captain Edward F. Bannon, on December 12, 1981. Eddie had been a member of the call section of the department for 30 years when he retired on September 1, 1980. He was a favorite of many people and well respected as a fire department officer. He will be sorely missed by all. (See enclosure.)

The following programs of the department have been active during 1981: fire investigation, inspection, apparatus and equipment maintenance, testing and recharging portable extinguishers in public buildings and public education programs. Another new program was added this year which includes flushing and checking hydrants with the water department.

A new 1,000 G.P.M. pumper was delivered to the department in May, 1981. The cost of this vehicle was paid by the Commonwealth of Massachusetts through the Department of Corrections. This was done in gratitude to the Town of Walpole for the numerous times the fire depart-

FIREMAN'S PRAYER
When I am called to duty, God... Wherever flames may rage... Give me strength to save some life... Whatever be its age... Help me embrace a little child... Before it is too late... Or save an older person from... The horror of that fate... Enable me to be alert and hear the weakest shout... And quickly and efficiently... To put the fire out... I want to fill my calling and... To give the best in me... To guard my every neighbor and... Protect his property... And if according to my fate... I am to lose my life... Please bless with your protecting hand... My children and my wife.

ment has responded to fires at MCI-Norfolk and MCI-Walpole. The Town owes its good fortune to the efforts of State Representative Francis Woodward, and also some of our local Town officials. (See photo.)

On July 31, 1981, a general alarm fire occurred at Bird & Son, Inc., in East Walpole. This was the second largest fire the Town of Walpole has seen. The buildings that were destroyed were a part of the paper-making complex that is no longer in use. The paper-making machines were still in these buildings and were destroyed by the intense heat. The loss was in excess of \$800,000.

Each year we try to improve our operation to provide better service to the townspeople. This is becoming difficult with budget cuts and level funding, but even a small gain is welcome. This year we improved our ice and water rescue procedure and can now provide a faster, more efficient rescue, using fewer men. The new equipment we provided protects the rescuer better than anything we ever had. This allows him to concentrate on the rescue at hand.

We had a total of 1183 alarms for the year which breaks down as follows:

Accidental/Faulty Alarms	47
Appliances	18
Animal Rescues	5
Assist People	11
Assist Police Department	79
Arcing/Downed Wires	9

Boiler/Furnace Problems	5
Bomb Threats	1
Bonfires/Campfires	52
Brush, Grass, Woods, etc.	294
Chimney Fires	25
Dumpster/Trash/Rubbish	47
Dwellings	8
Electrical Investigations	9
Explosions	1
False Alarms	83
False Telephone Calls	11
Gas Investigations	27
Gas Leak	1
Illegal Burning	18
Investigations	42
Lightning	1
Lockouts	14
Mutual Aid Given	18
Mutual Aid Received	2
Not Needed/Needless Alarms	34
Open Hydrants	5
Other Buildings	29
Permit Fires	23
Smoke Investigations	26
Sprinkler/Water Problems	16
Stove/Oven Fires	18
Vehicle Fires/Problems	60
Washdowns	25

Of this total 828 were still alarms and 355 were audible alarms. Of the 355 audible alarms, 210 were squad calls and 145 were box alarms.

FIRE ALARM MAINTENANCE

The Fire Alarm Maintenance continued this year with the usual box testing, pole line maintenance and repair, radio servicing and some tree trimming. The required circuit testing was performed on a daily basis and proper records were maintained of all tests and department operations.

The fire alarm boxes on the street are being removed because of excessive false alarms. This will be a two- or three-year project, but all of them will be removed, leaving only the master boxes. The master box provides automatic notification

to fire headquarters from all Town-owned buildings, industrial plants, commercial establishments, and institutions. This method of notification is the fastest and most dependable system available.

New master boxes installed this year were:
4171 — Kendall Company — Chandler Mill, West Street
4233 — Bird Johnson Blade Shop, Norfolk Street

BOARD OF HEALTH

1981 brought our town its first serious environmental shock with the pollution of nearly forty private wells in the Appletree Lane area. The 3,000+ gallons of gasoline which leaked from underground storage tanks in Dover are, unfortunately, perhaps the first of other such leaks because wherever metal storage tanks are buried, the inevitable leaks will occur. Fortunately, our town wells have not been affected yet and, hopefully, they never will be.

A study committee was formed in November consisting of members of various town boards (fire, sewer & water, building, selectmen and health) to draft rules and regulations governing the storage and handling of potentially hazardous materials in an attempt to prevent further such incidents.

On the bright side, Walpole fares well in a study conducted by the State Health Department. This study, known as Massachusetts Standardized Mortality Ratios covers the period between 1969-1978 and lists the 26 leading causes of death during this ten year period. Our standard mortality ratio was less than 100, which means that we experienced fewer deaths than were expected.

Many permits were issued from the Board of Health office during 1981, some of which are the following:

Food Service	48
Retail Food	22
Keeping of Animals	51
Septic Construction	42
Septic Repairs	20

Nineteen eighty-one marked the seventy-second year that health services were delivered to the community by the Walpole Area Visiting Nurse Association. This year the agency grew and expanded its spectrum of services, adapting to the changing health care needs of its surrounding communities. Although the community health nurse has remained the heart of the organization, this was the year we felt it necessary to add a number of allied health services in order to provide for total patient care. A multi-disciplinary team, caring for a specific patient might now include a nurse, a physical therapist, speech therapist, occupational therapist, medical social worker and a home health aide. These services provide sick people with a choice and options while allowing them the opportunity of staying in their own homes and still receiving necessary health care.

Our Public Health program of health maintenance and disease prevention continues to play an important role in our total organization. Our health promotion home visits are vital in order to maintain persons in their own homes. Without these nursing visits to patients who are either too ill or have no one to bring them to the doctor or Visiting Nurse Office, many of our patients might end up in the hospital or have to seek nursing home placement. Most of the patients in the above categories are senior citizens; in 1981, all were Walpole residents.

Other patients who are seen at home might be visited as a result of one of our screening clinics such as Diabetes, Hypertension or Cancer Screening. Some might be follow-up visits necessitated by a positive T.B. test or other communicable disease contacts.

We visit patients who request our services to assist them or their families in the proper referral of a patient with a mental disorder to the proper clinical facility or counselor who can best help that person. We work in cooperation with area mental health centers in maintaining some of these people at home. In 1981, we made 663 visits to people in their homes for health promotion. We made 386 office visits for many of the same reasons mentioned above. Blood pressure measurement, weight monitoring, diet counseling, medication compliance, T.B. testing and other general health topics are the ingredients of an office visit. Office visits for health promotion purposes are, like home visits for the same purpose, free to residents of Walpole, covered by our contract with the Town of Walpole.

Our Maternal and Child Health program this year was funded in part by a Bird Charitable

Foundation Grant. Close to two hundred families were either visited or participated in our childbirth education classes. By the end of the year when the grant and matching funds were used up, it was voted by our Board of Directors to integrate the program into our total nursing program. This was done and it is hoped that through donations received from participants in the childbirth education program this will become a self-sustaining service.

In addition to a greatly expanded personnel roster and the additional services available, this was another year of growth of our facilities. In October the Board of Directors accepted an option from the town of additional space and voted to finance the improvement of the space formerly occupied by the Council on Aging.

In the midst of all these changes, we have maintained our working affiliations with local physicians, hospitals and various community organizations. We have joined helping hands throughout the year with the Norfolk Lung Association, Norfolk Mental Health Association, Norfolk County Extension Service, FACE, King Philip Elder Services, Hospice at Pondville, the Red Cross, the American Cancer Society and the Norfolk Day Activity Center.

We wish to thank all of the above and other people and organizations in the community, especially the town officials who chose our agency as a liaison between themselves and members of the community who had health

needs to be fulfilled this year. We are grateful for the opportunity to serve these needs because, to us, Community and Home Health Care means the hope of maintaining our citizens in a home environment as long as we can provide the services and/or equipment, and as long as that is a viable option.

COUNCIL ON AGING

The Walpole Council on Aging, which like other Town Boards is strictly volunteer, consists of seven regular members and four associate members. Each member has their own particular expertise to contribute to benefit Walpole's elderly population.

Mrs. Barbara Foley, Coordinator, is present at the Center four hours daily, Monday thru Friday. She has an excellent understanding of local and federal resources. She advises the various residents on where to go for help if she is unable to give it.

Presently, we employ two van drivers on a part-time basis, who alternate weeks driving. During 1981, the van travelled 10,745 miles and transported 5,101 passengers. If you compare this to 1980's statistics of 7,669 miles and 3,556 passengers, it is obvious that people are becoming more aware of what the Council offers. We are

also fortunate to have the services of a Senior Aide, whose salary is paid by the U.S. Department of Labor.

On October 2, 1981, the Senior Charter was officially moved from lower Blackburn Hall to the New Stone School Cafeteria section (Town Hall). This move was successfully accomplished through the courtesy of the Town's DPW Department. We want to express our appreciation to Mr. James Clerici for his assistance in the move and the renovations to the new Senior Center. We also want to thank Mr. Bennett Gove of the Vehicle Maintenance Department for taking such good care of the van.

Our new Center now includes a drop-in center, congregate meal site and additional space for recreational and social events. This enables us to function as a multi-purpose center providing medical, educational and referral services.

The Council on Aging has been identified as a focal point which assures the senior residents of Walpole additional services. Two grants from the Department of Elder Affairs were awarded to the Council. One grant was for the maintenance and gas for the van. The other grant was for furnishings for the newly expanded Senior Center.

The Senior Citizens Group meets the social and recreational activities of the seniors. This is accomplished by fund raisings such as the monthly Whist Parties and the annual bazaar.

The Nutrition Program under the jurisdiction

of King Philip Elder Services was in operation one year on July 28, 1981. This service is managed by our most capable Mrs. Conchida Geyer and her dedicated group of volunteers. During the calendar year 1981, a total of 5,838 congregate meals and 6,144 home delivered meals were served by caring volunteers. King Philip also provides workshops for the staff of the Council on Aging. A legal representative from King Philip advises senior citizens on legal problems once a month with no charge. King Philip is a conduit for all Federal and State funds.

DEPARTMENT OF VETERANS SERVICES

The Veterans' Services office has had a very sad 1981, with the untimely death of its Director, Richard J. Carberry on Dec. 26th. Dick served the Town of Walpole as a dedicated Director since 1971 and we will miss him greatly. Our benefit program, which we feel is the most important activity of this office, assisted 15 Veterans and their families in the amount of \$16,932 under Chapter 115 of the General Laws of Massachusetts.

Assisting Veterans and their families in obtaining Federal benefits is another important

function of this office. These services involve filing applications for Widows' & Childrens' pensions, Burial Allowances, Service Connected Compensation, Non Service pensions, Grave Markers, Change of Address, annual income Questionnaires, Educational and Vocational Benefits, Insurance Claims and Home Loans.

The Department of Veterans' Services has participated in the fuel assistance program for low income families for the third consecutive year.

NORFOLK COUNTY MOSQUITO CONTROL

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	7,053 feet
Brush obstructing drainage cut	995 feet
Culverts cleaned and opened	16 count
Drainage constructed or improved by machine	125 feet

Larviciding: Treatment of mosquito larvae during aquatic development is the most effective control effort.

Aerial applied larvicide	880 acres
Larvicide by backpack and mistblowers	79.5 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide mistblowing from trucks	365 acres
Adulticide U.L.V. from trucks	16,320 acres
Catch basin application:	
Adulticide and larvicide	588 count

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 90 calls from residents for information and assistance.

HERITAGE AND NATURAL RESOURCES

HISTORICAL COMMISSION

Clearly, the most significant and most exciting event for the Historical Commission was the listing of Walpole's 1881 Town Hall on the National Register of Historic Places.

An appropriate celebration took place on October 18, 1981 on the side lawn of the Town Hall. A reception followed at the Deacon Willard Lewis House, headquarters of the Walpole Historical Society. These events were recorded and are in the Commission's files.

The next evening, October 19, 1981, at the Town Meeting, cinnamon buns were once again served, as mentioned in *The Walpole Town Hall*, which was read in part by Moderator Robert Boyd, as follows:

"For many years the common place of meeting, both in church and town affairs, was, as its name implies, the Meeting House; and even down to the year 1881 it so continued, the vestry of the First Church being then in use for that purpose. This vestry was low-studded and ill-ventilated, and at a crowded town meeting reeked with moisture and foul air, and was disliked and avoided in spite of town-meeting cake in the form of long sheets of nutmeg buns.

"After enduring these conditions as long as they possibly could, several public-spirited citizens resolved to secure an appropriation for a modern town-house. They did not stop to consider or imagine the other difficulties in the way. There soon sprang up a warmly expressed difference of opinion about both its location and its style of architecture, but finally the present brick structure was erected on a site, a part of which had been purchased for the Methodist Church. (They had purchased the next lot, now Stone Street, on which to build their church but when the high school on Common Street burned, where the present United Church parsonage now is, they made a swap with the town for the lot on Common

Street in exchange for the lot which later became Stone Street.)

"On September 25, 1881, the present building was dedicated. George E. Craig was the chairman of the building committee, and on that occasion transferred the keys of the building into the hands of James G. Scott, chairman of the Board of Selectmen."

We continue to offer assistance to the Permanent Building Committee on the conversion of the Town Hall to the Police Headquarters because of National Register status. This conversion is indeed an exciting, adaptive-reuse concept for a 100-year-old building.

A very interesting and useful research survey has been completed by Electa Kane Tritsch. *Men of Useful Trades, Craftsmen and Mills of the Ded-*

ham Grant, 1636 - 1840, has been received by the Commission. This survey was financed in part with federal funds and other funds, including the Walpole Historical Commission and the Walpole Historical Society. The purpose of the survey was twofold—(1) to provide the Massachusetts Historical Commission (MHC) with a regional survey of industrial and archeological sites to supplement inventories drawn up by local historical commissions and (2) to provide local commissions and townspeople with new historical information about their towns, set in regional perspective. Walpole's industrial and archeological sites include Clark & Mann Boot Factory, South Walpole; Diamond Manufacturing Company, D & E Smith's Mill, South Walpole; Plimpton Foundry; Smith Privilege; Gay Grist Mill; Stetson Privilege; and Stetson's Mill.

In conjunction with the search for the sawmill, the court case of the Town of Walpole versus Massachusetts Chemical Co. in 1906 was studied. This established without a doubt that the first sawmill in Walpole was at the Upper Blackburn Dam. From the testimony in the case, it was even possible to establish the height of the dam.

During the year we have inventoried the four known Indian mortars in the Town. One identical to ours is mounted in the lobby of the library at the University of Lowell. They have established the age as 3000 B.C.

The Commission is working with the Metropolitan Area Planning Council (MAPC) in compiling a report of Walpole's completed Historic Resources Inventory. The report will include a brief summary of the Town's history with selected

views and descriptions of buildings in the inventory. Included in the appendix will be a listing, by addresses, of the following: Areas, Buildings, Memorials, Archeological Sites (confidential), and Burial Grounds in the inventory, an account of local history and historic districting in Massachusetts. This report should be available by mid-summer.

The Commission continues to take an active part in the Downtown Revitalization Project along with the Metropolitan Area Planning Council.

It is very hard to pass by the empty lot of the Old Stone School. The building was, however, well documented inside and outside before it was razed. At the time of the razing of the Old Stone School, the Commission was desirous of obtaining something of significance from the building. We were fortunate to obtain the end of a beam showing the mortise and tenon construction, complete with a wooden peg (or trunnel or tree-nail), and indications of the vertical sawcuts on the surface. A nail of the period was imbedded in the wood. When the end of the beam was cut off, the smell of sap was still evident.

Many groups of school children have been taken through the Town Hall this year. A place of interest is always the old jail cells (and the water fountain).

The history of Walpole has been given to various local Girl Scouts and Cub Scouts as part of their citizenship requirements and to Walpole school groups.

We welcome comments and suggestions from the citizens of Walpole.

CONSERVATION COMMISSION

The Conservation Commission is responsible for protecting and preserving the natural resources of Walpole, with its main efforts directed toward protecting the town's watershed areas. To carry out its responsibilities, the Commission acquires land through gifts or purchase, enforces the Wetlands Protection Act and the Inland Wetlands Act, and coordinates its efforts with other town agencies in the protection of natural resources.

During the past year, a gift of land behind the high school, totaling 12.91 acres, was made to the town by Home Building Company. This property will be managed and controlled by the Commis-

sion and the School Committee. As a high school project, a hydroelectric plant is in the process of being constructed on this land. The Neponset Valley Trust has also deeded two parcels of land to the Conservation Commission.

The Commission's land holdings are for the purpose of conservation and passive recreation. Trails exist through many of these properties for the enjoyment of hikers, skiers, and nature lovers. These trails and the recreation area at Coburns' Pond are maintained yearly and maps of these areas are available at the Walpole libraries and the Town clerk's office. The Alan Flood-control dam area is now available to the public as a pas-

sive recreation area. The main library also has the Commission's Family Membership card for the Massachusetts Audubon Society, available on request. Due to the lack of funds, the Commission was unable to purchase any extra land this year.

The Conservation Commission holds public hearings in accordance with the Wetlands Protection Act, Mass. Gen. Laws, Chap. 131, S. 40. This law requires anyone intending to do work which affects the wetlands in any way to contact

the Commission for a determination as to whether or not a hearing is necessary, and the conditions under which work may proceed. The Commission inspects all work to determine that the contractor follows the Order of Conditions issued.

The Commission meets regularly on the first and third Wednesdays of the month at the Town Hall, with the public cordially invited.

TOWN SERVICES

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works is organized with a total of 54 permanent full-time positions (52 incumbents at the end of the year), 7 permanent part-time positions, and 9 seasonal positions. These figures represent a reduction of 10 permanent full-time positions, and 8 seasonal positions from the previous year. These changes have been made through elimination of vacant positions, attrition, and reorganization, without the loss of individual jobs. Two new permanent part-time positions (switchboard operators) have been added to the Municipal Office area of our organization. The Department is headed by Peter Boghossian, Director of Public Works and Town Engineer; Pasquale Marino is Superintendent of the Highways, Parks, and Cemetery Division; James Clerici is Superintendent of the Building Maintenance Division; Normal W. Stowe is Superintendent of the Sewer and Water Division (appointed March 2, 1981); Bennet Gove is Superintendent of the Vehicle Maintenance Division; Paul Keane is the Assistant Town Engineer.

D.P.W. MAINTENANCE DIVISION

The D.P.W. Maintenance Division is responsible for the maintenance and repair of all Town-owned vehicles, excluding fire engines. Regularly scheduled maintenance was performed on forty-nine motorized pieces of public works equipment, seven cars assigned to various Town departments, seven police cruisers and one police safety cruiser, an ambulance, a Civil Defense van, a Senior Citizens' van, an Animal Control vehicle, and two Fire Department cars. Also maintained were the auxiliary engines at the five water pumping stations and the water treatment plant, and all other miscellaneous D.P.W. equipment including sewer rodders, centrifugal and diaphragm pumps, natural gas and diesel engines, portable generators, welders, flail and rotary mowers, roller, and tractors.

Major repair work performed last year included four engine overhauls, three clutch jobs, two front-end jobs, seventeen brake jobs, two door replacements and thirteen paint jobs; also welding repairs were made on sanders, snow plows, plow frames, sidewalk plows, backhoes

and loaders; new equipment purchased was inspected for compliance to Town specifications and prepared for service. Emphasis placed on preventative and routine maintenance has continued, and proven to be cost effective. As a result of our regular scheduled maintenance program, there have been fewer breakdowns and less vehicle down time. Major repair expenses both in terms of supply parts and labor has thus been kept to a minimum.

HIGHWAY, PARK AND CEMETERY DIVISION

The Highway Section is responsible for maintenance of streets, sidewalks, storm drains, traffic signs, and snow and ice control operations. A total length of 5.6 miles of the following secondary roads were prepared and resurfaced with liquid asphalt and stone: Chicatabut Road, Clapp Street, Clarkson Drive, Cobb Terrace, Elm Road, Elmcrest Circle, Fuller Avenue, Gateway, Gould Street, Grover Street, Hansen Avenue, Jean Road, Lake Avenue, Maple Street, Massachusetts Avenue, May Street, Mill Pond Road, Morse Street, North and South Lewis Park Drive, Occident Circle, Ossippee Street, Pocahontas Street, Ponderosa Lane, Pontiac Road, Prospect Street, Riverside Place, Rustic Road, Scout Road, Shawnee Street, Swenson Circle, Thomas Street, Wompatuck Road. Portions of the following streets were surfaced with bituminous concrete: North Street from Old North Street to the Westwood Town Line, Winter Street, Alton Street, Neil Street, Rockwood Street, Pilgrim Way and Polley Lane.

Other highway work performed during the year is as follows: mechanical sweeping of all streets, bituminous concrete patching of potholes and utility trenches, and application of approximately 35 miles of pavement markings by contract. Storm drainage maintenance work included annual cleaning of approximately 1800 catch basins under contract, repairs to 50 catch basins and manholes, rodding of obstructed drain lines and selected ditching work. A total of 250 traffic and street signs were made or purchased and installed.

Our "limited" solid waste transfer stations, located off Lincoln Road, was permanently closed this year. All of the Town's solid waste is now picked up weekly and disposed of in an out-of-town landfill under contract. For the record, it is noted that a total snowfall of 48.7 inches was measured in Walpole for this calendar year as follows: January 13.5", February 6.1", March 0.4", December 28.7".

The Park Section maintains more than 100 acres of parks, lawns and athletic playing fields. This work includes the application of fertilizer, lime, grass mowing on a regularly scheduled basis. Other miscellaneous work includes collection of litter from all public ways, play areas, bi-weekly rubbish collections from certain buildings and trash receptacles, cutting of grass and brush along roadways, maintenance of trails, removal of brush from the Town Forest, and annual fall leaf collection, planting of new trees, and removal of diseased and dead trees.

The Cemetery Section is responsible for the maintenance, operation, and restoration of five town-owned cemeteries: Maple Grove off Kendall Street, Rural off Pemberton, West off Kingsbury Street and the Old Burial Place off Main Street at Kendall Street, and Guild off Baker Street. There were a total of 21 burials this year at our cemeteries as follows: Rural 9, Maple Grove 11, and Guild 1. Due to rising costs, the Cemetery Commissioners voted to raise charges for cemetery lots and grave opening fees. The charge for a single grave (4' x 10') is now \$200. The grave opening fee is now \$160. plus additional charge for winter, and Saturday and holiday openings. We sincerely hope that townspeople take pride and care of our cemeteries, and that youngsters are taught proper respect for our cemeteries, for the benefit of posterity.

BUILDING MAINTENANCE DIVISION

The Building Maintenance Division is generally responsible for maintenance and repairs, capital improvements, energy conservation, and proper operation of all electrical, plumbing, and heating systems in all public buildings. Energy conservation continues to be our primary concern and priority. Our participation in the Federal "Energy Audit Program" has been completed, and recommendations for energy conservation measures have been very carefully considered. The largest "pay back" items are being funded on a long term basis as capital budget items. As a result of the energy audits, plans are now in progress to install new domestic hot water heaters at the Senior High School and at the Old Post Road School, and also to convert the present burners at the Old Post Road School to gas and oil. Once again, we are pleased to report continued savings in terms of gallons of fuel used per degree days, as shown in the table below, representing fuel consumption records for all public schools and municipal buildings.

Season	Gallons	Cost/Gal.	Total Cost	Deg. Days	Gal/Deg. Day	Cost/Deg. Day
72-73	505,379	\$0.119	\$ 60,401	6349	79.59	\$ 9.51
73-74	465,393	0.299	139,236	5974	77.90	23.30
74-75	460,832	0.347	162,045	6181	74.55	26.21
75-76	429,517	0.363	155,957	5780	74.31	26.98
76-77	452,777	0.360	163,000	6537	69.26	24.93
77-78	438,501	0.35	153,475	6556	66.85	23.39
78-79	390,865	0.41	160,254	6216	62.88	25.78
79-80	342,318	0.79	270,431	5961	57.42	45.36
80-81	311,658	1.00	311,658	6287	49.57	49.57

The extent of vandalism to all public buildings this year increased to about \$19,000. Countless numbers of repairs and maintenance work utilizing all major building trades were made in all buildings; some of the more important items of work are listed by buildings or categories below:

Bird School — Work was limited to absolute essentials, as the building is currently in the process of being sold.

Bird Middle School — (Formerly East Jr. High School) Replaced concrete slab at cafeteria entrance, replaced top of wall on east side of building, replaced window shades, painted several classrooms, reinforced ceiling light fixtures.

Blackburn Hall — Painted portions of interior and exterior of building, installed carpeting. The former Senior Citizens room has been remodeled extensively at the expense of the Visiting Nurses Association for their use.

Center Library — Painted bathrooms and installed stratification fans.

Johnson Middle School — (Formerly West Jr. High School) Painted second floor corridor and five classrooms, installed balance of new metal lockers and repaired other lockers, surveyed by heating engineer.

New Fisher School — Painted several classrooms and toilets, surveyed by heating engineers.

New Stone School — The Senior Citizens are now utilizing the cafeteria and kitchen area of this building. The school administrative offices and media services were moved into the building late in the year. The building is presently under a renovation contract to house all municipal offices.

Old Fisher School — The building was leased to the Norfolk County Agricultural School, and is currently in the process of being sold to a private business organization.

Old Post Road School — Painted outside trim, installed curb cut for the handicapped, painted part of building interior.

Old Stone School — After more than a century of use and service to school-age children and others, the old landmark was demolished late in the year.

Public Works Buildings — Stratification fans installed, a new gas-fired furnace installed in the Highway Garage.

Recreation Department — Painted all pools and bathhouses as needed.

School Administration Building — (Former) This building is currently under a lease arrangement with an outside agency.

Senior High School — The total renovation work has now been completed. Changes made by the Building Committee during the renovation work includes natural gas fuel to the new boilers, attic insulation, reduced sizes of windows, eliminated other windows. Together with the new boilers, the total annual fuel consumption has been reduced from an equivalent of 110,000 to 48,000 gallons of oil.

Town Hall — No major work was done in this building in consideration of pending plans to convert the building to the Police Station.

Turco Field — Painted wooden bleachers, and replaced worn planks.

Boilers & Burners — Cleaned all boilers and burners and constantly worked to fine tune all temperature control systems to conserve energy.

WATER AND SEWER DIVISION

The Water and Sewer Division is responsible for the operation and maintenance of the Town's water supply, quality, and distribution system, and the operation of the sanitary sewer system. In compliance with State Regulations, six water samples collected weekly, and samples from each well collected monthly, are sent to a certified laboratory for bacteriological testing; all of the tests for the year were negative. Water samples are also tested quarterly by the same certified laboratory for sodium concentrations

Norma W. Stowe, Supt. of Sewer & Water Division

throughout the distribution system. For the second consecutive year, level of sodium in our water supply (33.5 mg/l) exceeded the State "guideline" of 20 mg/l; accordingly all water consumers were notified by mail of this fact. Water samples are tested monthly by the State for fluoride concentration to insure adequate dental health protection. Water from our Mine Brook wells is tested daily at the Treatment Plant laboratory primarily to determine proper iron and manganese removal levels. A controlled "town-wide" hydrant flushing program, by members of the water and fire departments, was started at the end of the year. This work has significantly improved the quality of water and condition of hydrants within the distribution system. Two new gravel packed wells (Washington #5 and #6) were established and developed this year; the potential yield, supply, and water quality from these new wells appears to be excellent. Also, work was completed on a new booster pumping station that will allow continuous pumping of Washington Well #2 while maintaining the Summer Street tank level and corresponding high pressure zone for the area. In addition to general operations and maintenance work, the following new construction and miscellaneous work was completed:

Number	Description
49	New domestic water services installed
15	Domestic water services renewed
49	Water service leaks repaired
12	Water main breaks repaired
12	Fire hydrants repaired
7	Fire hydrants replaced
1	Fire hydrant installed
1	Fire hydrant removed permanently
28	New sewer services installed
3	Sewer connections repaired
14	Water gate boxes repaired
40	Frozen services
12	Frozen services lowered

Total production statistics for our wells during the year are shown in gallons in the following table:

Washington Street

Well #1	5,292,000
Well #2	206,231,400
Well #3	109,307,600
Well #4	244,355,000

School Meadow Brook aquifer total 565,186,000

Mine Brook

Well #1	89,193,400
Well #2	107,623,800
Well #3	102,936,500

Mine Brook aquifer total 299,753,700

Grand Total 864,939,700

Average Daily Production 2.36 million gallons
Maximum Day Pumped (July 7, 1981) 4.01 million gallons
There were 36 new water services added to the system bringing the total number of water service accounts to 5212.

With the addition of 2.72 miles of sanitary sewer mains this year, there are now a total of 39.32 miles of sewer mains in service in the Town. A total of 28 new building connections were made to the sanitary sewer system making a total of 1819 connections to the system. There are a total of 25 vendors having 38 vehicles who are licensed by the Town to use our septic waste disposal facility. During the year, a total of 5,027 loads were received at the facility; a \$7.00 disposal fee was charged for each load received.

ENGINEERING DIVISION

The Engineering Division of the Department of Public Works endeavors to provide sound professional engineering assistance to the other D.P.W. divisions, and all Town officers, boards, departments, and the general public. This office plans, designs, and contracts out significant capital projects including roadways, waterworks, sewerage works, and drainage works among others. The specifics of our work over the past calendar year are outlined in the succeeding paragraphs.

Survey, design, contract plans and specifications, and resident engineering services were provided for the following contracts: Street Resurfacing — chapter 90; Sanitary Sewer Construction (40% State reimbursement) — East Street area, Robbins Road area and Brown Drive

area; Waterworks Construction — Page Avenue to Hoover Road, and Marion Avenue; Building Demolitions and Bridge Removals — Old Stone School, East Street, Plimpton Street and Winter Street Bridges; and a micro-computer system for use with automated fleet fuel control system.

Written reports were submitted to the Board of Appeals with respect to engineering criteria and compliance to the provisions of our zoning by-laws in the following categories: non-residential site plans (17), special permits for floodplain construction (1), multi-family (7), and miscellaneous (5).

All necessary engineering data and recommendations on subdivision control matters were provided for the Planning Board. A total of 27 written reports were submitted as follows: 3 for definitive subdivision plans (19 lots total), 7 for bond determinations, and 21 for miscellaneous inspections and reports. Periodic inspections were conducted to monitor construction in all of the active subdivisions. At the end of this calendar year, there are 20 developments comprising 376 lots of land under some stage of subdivision control and jurisdiction of the Planning Board as indicated below:

Residential Subdivisions	343 lots
Industrial Subdivisions	4 lots
Preliminary Subdivision Plans	29 lots

The following Town maps were updated and reproduced for distribution purposes: street, zoning, governmental lands, conservation, inland wetlands, sewer and water. Street acceptance plans, lay-out descriptions, and orders of taking were prepared and recorded in the Norfolk County Registry of Deeds for Beehive Road, Carriage Lane, Drone Road, Nectar Road, and Rockwood Street. Also the complete set of Assessor's maps were updated.

Other areas of study and effort include the preparation of utility easement and taking plans with descriptions for recording purposes, storm drainage studies, and problem investigations, numerous various construction cost estimates and various compiled plans; and when required. Town property lines and easement surveys were provided.

Increasingly, over the past year this office has become a liaison between the Town and the utility companies including Bay State Gas, Boston Edison, New England Telephone and Shell Oil. In this regard, more than 20 petitions from Boston Edison were reviewed and reported on.

The total land area of the Town is 13,498.6 acres or 21.1 square miles. The ownership of land

by various levels of government, area, and percent of total Town area is shown on the following:

Town	Acres	Square Miles	Percent of Total
Tax Title	194.0	0.3	1.4
Town Forest	281.9	0.4	2.1
School	152.2	0.2	1.1
Miscellaneous	155.7	0.2	1.2

RECREATION DIRECTOR

The past year the Recreation Department Budget has been reduced according to guidelines prompted by Prop 2½. School closings and reduced numbers of School age children participating in Recreation Programs has also declined. The reduced numbers balanced fairly well with the Budget Reduction. The Recreation programs offered in past years are still offered, however some Program lengths have been reduced, to meet Budget restraints. The Red Cross Swimming Lessons offered in the Summer remain as the Department's most attended, with over 800 children taking swim lessons. The Summer Playground at the High School was well attended, with Tennis and Arts N' Crafts being the most popular. Girls slo-pitch Softball enjoyed a suc-

cessful Summer schedule with 90 girls between the ages of 11 and 13 participating. The Recreation Department is very grateful to the Volunteers, who Coach and Umpire these evening games.

The Recreation Department will be updating the Department Booklet describing Programs and other information pertinent to Programs that are offered to all our Townspeople. Our appreciation to all Town Departments that maintain Recreation facilities throughout the Town. The Director's view on changing times will be a challenging task to update present Programs and to hopefully initiate new Programs to maintain Leisure Time Activities for all ages.

CELEBRATION COMMITTEE

The Celebration Committee, working with a very limited budget, conducted Memorial Day observances on the Walpole Common. We would welcome any suggestions from our citizens for any appropriate Memorial Day activities. We do

not have the funds for a large parade.

The Committee assisted the Historical Commission with the Town Hall Centennial in October.

Citizens' comments are encouraged.

DOWNTOWN REVITALIZATION COMMITTEE

In 1980, the Downtown Revitalization Committee approved an overall Concept Plan for the downtown which was endorsed by the Board of Selectmen and the Representative Town Meeting. Highlights of the Plan accomplished during 1980 include: 1) Town Meeting approval for the Town Hall move into the newly renovated Stone School and 2) move the Police Station into the old Town Hall, 3) demolition of the Old Stone School, 4) approval by the Massachusetts Department of Communities and Development of a CARD dis-

trict (Commercial Area Revitalization District) for low interest loans for private improvements, and 5) Sign By-Law changes approved by the Representative Town Meeting. The first CARD program improvement was the renovation of the Walpole Co-operative Bank.

At the end of the year, a review of the downtown traffic circulation plan is currently being undertaken to gain the acceptance of abutting property owners.

WEIGHTS & MEASURES

A summary of this department's activities during 1981 were:

Units Tested	446
Units Sealed	436
Units Condemned	5
Units Not Sealed	5
Units Adjusted	49
Fee Collected	\$1221.80

Surprise spot-checkings, in the form of reweighing of essential food items, were under-

taken as usual. In addition, periodic determinations were made to ensure compliance with the unit pricing directives.

The net cost of running this department, ensuring consumer protection of Walpole services, for the entire year amounted to \$2,653.47 or approximately *14 cents per resident per year*.

*Units include but are not limited to scales, balances, weights, gasoline pumps, and oil truck meters.

ANIMAL INSPECTOR

All premises where livestock is kept have been visited and inspected and comply with the regulations set forth by the Division of Animal Health.

All new animals from outside the state, entering herds, have been examined.

All reported dog bites have been investigated and quarantine regulations carried out.

No positive cases of rabies were found.

INSPECTOR OF BUILDINGS

Construction activity in the Town of Walpole has remained consistent with last year's figures. Major projects, among others, were renovations to the Norfolk Agricultural School and Hancock Bank, and additions to the Heartland Food Store and the Walpole Cooperative Bank.

Eighty-six persons were referred to the Zoning Board of Appeal through this office.

Indications are that 1982 will be very active, with emphasis on multi-family housing and condominiums.

Total number of building permits issued: 522

PLUMBING INSPECTOR

Three hundred sixty plumbing applications were filed for plumbing permits during the year 1981 and all complaints received were investigated.

At this time, I wish to thank the Board of Health, Town Administrator, Building Inspection Department and their staff for cooperation given to me in carrying out the duties of Plumbing Inspector.

WIRING INSPECTOR

During calendar year 1981, 434 applications were filed for wiring permits, and several complaints were investigated with regard to electrical installations.

The Wiring Inspection Department is located in the Building Inspector's Office in the Town Hall.

GAS INSPECTOR

During calendar year 1981, 230 applications were filed for gas permits. All complaints were investigated, several in collaboration with the

Building Inspector, the Plumbing Inspector, and the Town Sanitarian.

The Gas Inspection Department is located in the Building Inspector's Office in the Town Hall.

TOWN REPORT COMMITTEE

The Town Report Committee, appointed by the Selectmen, has retained the same membership as the past few years except for Rick Rockwood, our photographer, who was a 1981 high school graduate and is now furthering his education. The theme we have chosen for the 1981 Town Report is the 100th anniversary of the Walpole Town Hall. Pictures of the celebration are

included in the report.

The cover picture of the Town Hall was drawn by Mr. George R. Marshall for the 1974 town report. Mr. Marshall was an active member of this committee for a number of years. We regret to announce that Mr. Marshall passed away this past year. This report is dedicated to Mr. Marshall.

STREET NAME COMMITTEE

In February, 1981, the committee contacted Walpole's Postmasters about inconsistent numbering on some streets. When the final research was done, the following recommendations were presented to the Board of Selectmen. In South Walpole, the numbers should be revised on Summer Street as there are six (6) houses using the same number. In Walpole Center several streets have erratic numbering. Even numbers appear on the odd side and vice versa. In East Walpole, which fares better, one home was out of sequence.

In March, 1981, the Street Naming Committee, in cooperation with the Town Engineer, helped notify residents of a change of house numbers on County Street, Walpole/Dover. Long a concern of landowners and the Dover Planning Board, Mr. Boghossian found reason to change

several duplicate numbers, thus assuring the protection of residents in the event of a mishap. Also, in response to a home owner who contacted the committee about never having a house number at County Street rear, she was issued one by the Engineering Dept. The Sun Oil Co. (Eddie's Sunoco Gas Station) on Main Street had three (3) different numbers on town records and this was corrected to one of three (3) digits.

In November, 1981, a concerned citizen notified the Selectmen that there was a Field Street and a Field Drive; also he felt that Pine Street and Pine Hill Drive were also too similar. Our Committee was asked to resolve this problem.

As always, the Street Naming Committee stands ready to act for the best interests and safety of the citizens of Walpole.

EDUCATION

SUPERINTENDENT OF SCHOOLS

The year 1981 was unprecedented for the Walpole Public Schools. In response to the continuing decline of student enrollment, and in reaction to the national inflationary economy, abrupt and major changes were made in the physical, educational, and budgetary features of the school department.

January's student enrollment of 3,440 decreased by 5.3% to 3256 in September or 35% less than the system's peak enrollment of just eight years ago in 1973-74. The School Committee had the foresight to allow more than two years of administrative planning time to arrange for the closing of the Stone and Bird elementary schools in June 1981 to reorganize the system's grade level pattern from a 6-3-3 to a 4-4-4 pattern in September.

The passage of Chapter 580 of the Acts of 1980, commonly referred to as "Proposition 2½," on November 4, 1980 gave immediate urgency to the fiscal management of the schools. Beginning January 1, 1981, the schools faced the loss of over \$400,000 revenue for the remaining six months of the fiscal year. The previously approved budget of \$7,905,000 for the 1980-81 school year had staff, who consisted more than 80% of the budget, hired through June of 1981.

On December 15, 1980, the School Committee voted, in collaboration with the Selectmen, to implement budget reductions for the next 1981-82 school year of approximately \$1,000,000. This action was taken in response to the best projected financial data available to town officials at the time.

In a Herculean effort, staff and the community provided me with suggestions for prioritizing proposed budget cuts. I submitted to the School Committee in January my recommendations for a \$6,974,000 budget for 1981-82. On January 19th I informed the Committee of the potential savings which the closing of a third elementary school, the Boyden School, could have for providing an alternative to additional cuts in staff.

In the several weeks leading up to the School Committee reaching accord on its budget request for approval at the April Town Meeting,

some of the most painful and agonizing debate ensued within the School Committee which I have experienced in my 16 years of participation at committee meetings. The placement of a legally fixed and rigid tax cap by Legislative action no longer provided individual Committee members the "easy" option of voting for preferred programs. Retaining and improving the quality of existing programs and services was no longer a possibility. Compromise became a necessary agenda for all to follow.

Open and public discussions were expanded to include several all-day Saturday meetings in addition to one and two meetings every week during this period. Ironically, these discussions fostered some of the best philosophical discussions as to educational excellence which have been heard at School Committee meetings in recent memory. The importance of elementary education; the value of a child-centered, interdisciplinary, and activity oriented program for pre-adolescents; introductory foreign language; and athletics all warranted close scrutiny. No consensus ever evolved as to the extent of a publicly supported school busing program.

The major thrust of the budget recommendations made two months after the passage of Proposition 2½ remained intact and was approved by Town meeting action. Immediate attention was given to the preparation for school opening in September. Plans were undertaken to lay off 47 full-time equivalent teachers and administrators and 50 support staff. The reassignment of staff by voluntary and/or involuntary means caused more than one-half of the staff to be relocated. For many staff, job uncertainties created an understandably stressful period. For the first time, a number of in-service teacher programs were initiated to deal with stress management.

Additional plans were made to vacate the two existing facilities of #1303 Washington Street and the Old Fisher School, which had housed central office administrative offices, and to relocate the school administrative offices along with the municipal offices at the vacated Stone School.

That schools were ready to open on time in

September was amazing! That most educational programs and services were intact and of previous quality was a miracle!

Students were the quickest to adjust in a few days to their new surroundings. Within a few weeks, teachers had adjusted to new assignments and new teaching teams. By mid autumn new configurations of parents had re-formulated new parent advisory councils and established new relationships with teachers and administrators. Good weather during September minimized the disruptions caused by delays in entirely new bus routes which had gone unchanged for more than twenty years.

In my first annual report four years ago, I noted following the blizzard of the century that Walpole students, staff, and parents "through determination, hard work, and imagination" had survived. Once again, this year the community responded in time of adversity!

It must not be assumed that budget cuts of the magnitude experienced this year can regularly be absorbed without destroying our public educational system as we know it. Never again will the savings of closing three schools simultaneously be possible. The reduction of nearly one-half of our vital secretarial, aide, and custodial forces places many non-teaching functions in the hands of teachers whose teaching effectiveness is now seriously taxed. The one-time savings of placing the adult education, summer school, and cafeteria programs on a self-sufficient basis has been made. The town records will show that during the summer of 1981 more than an additional \$400,000 of unanticipated state-aid reimbursement became available. Newly revised property evaluations enabled the Town to raise, even within the limits of Proposition 2½, an additional two million dollars. The School Committee recommendations at the October special town meeting to increase its annual appropriation by \$250,000 was defeated. The final upshot of special town meeting action was to raise approximately one million dollars. In

response to a motion of the Finance Committee \$175,000 was appropriated for school use—primarily for school busing. For the moment, students were given a "back seat."

What of the future? What will be the investment which citizens will make to retain the excellence of its public schools? The future quality of life made possible for the entire population of Walpole will have a direct relationship upon these educational decisions.

The projected student population within the decade of the '80s is scheduled to decline by more than 1000 students to bottom-out around 2200 students. This student population will be comparable to what it was in Walpole in the early 1950s when the Town total population was approximately 9,000, or one-half the 18,000 population of today!

Schools and communities have had little experience in planning for decline. Disruption, frustration, community anger, teacher stress, and legal action were some of the by-products of hurried planning necessitated by Proposition 2½. As *people* and *time* will be required to plan intelligently for further enrollment decline, this is not the occasion to make reductions in administrative staff who have major responsibilities for planning.

This year has strengthened my faith in the ability of citizens to rally to adversity. We note with deep regret the retirement of Mr. Richard Eldridge, principal of the Fisher School, and the resignation of Mr. George Blaisdell as Director of Curriculum and Pupil Services to become a superintendent of schools in New Hampshire. I am indebted to the special services of my immediate office staff, and especially Mr. J. Chauncey Smith, Assistant to the Superintendent of Schools, and my secretaries, Mrs. Marion Pare and Mrs. Carolyn Schmalz. The continued commitment of School Committee members, staff, parents, and citizens to retaining the quality of Walpole's public schools bodes well for the future.

FALES & LEACH SCHOLARSHIP AWARDS

1981 Fales and Leach Scholarships were awarded Monday evening, December 14, 1981, to thirty-four Walpole High School graduates currently attending institutions of higher education.

These awards totalled \$8,517 from the income

established by the Fales Scholarship Fund in 1931 and \$18,600 from the Leach Scholarship Fund established in 1960.

Scholarship winners are listed on the next page.

FALES:

Cheryl Cibotti, attending Boston College
 Brian Fay, attending Providence College
 Susan Hall, attending Northeastern University
 Christopher Harwood, attending College of Holy Cross
 Teresa Hyland, attending University of Notre Dame
 Susan Johnson, attending Acadia University
 Mark Klobucher, attending Northeastern University
 Gerard Lane, attending College of Holy Cross
 Julie Marrinucci, attending Providence College
 Nancy Marrinucci, attending Boston College
 Lisa Middtun, attending University of Massachusetts
 Kevin McCarthy, attending Boston College
 Lisa Parente, attending College of Holy Cross
 Stephen Parente, attending College of Holy Cross
 Robert Power, attending Columbus Law School of Cath. Univ. of America
 Mary Rooney, attending College of Holy Cross
 Nancy Ross, attending Boston University

LEACH:

Lori Baker, attending Wheaton College
 Janice Connolly, attending George Washington Univ. School of Medicine
 Hugh Coyle, attending Middlebury College
 James Dumphy, attending Williams College
 Christopher Foley, attending Williams College
 Colleen Foley, attending University of Massachusetts
 Erin Foley, attending Dartmouth College
 Lisa Guay, attending Harvard Medical School
 Nancy Hart, attending Dartmouth College
 Barbara Heath, attending College of William & Mary
 John Moloney, attending University of Mass. Medical School
 Cheryl Parente, attending University of Mass. Medical School
 Maura Rooney, attending Worcester Polytechnic Institute
 Sheila Ryan, attending Colby College
 Gretchen Schmalz, attending Lehigh University
 Anthony Silva, attending University of New Hampshire
 James Totten, attending Amherst College

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

Many educational goals and objectives were reached during the year 1981. It was a period of reflection of tasks accomplished and a clarification of future program direction.

Tri-County, because of five years of past experience, was able to offer more skilled services to more residents of the district than ever before. It is with a great deal of satisfaction and pride that the Committee looks back upon those many accomplishments of the students and staff during the past year.

Although the school is now considered established and the approach it utilizes in education considered successful, several "firsts" have occurred during the year which demonstrate the vitality, creativity, and desire to excel on the part of the school's personnel.

This report, then, is an accounting of the most significant activities and achievements of Tri-County in 1981.

Academic Department

This year saw the refining of some academic curricula in a continuing effort to address and serve the needs of the work-bound as well as the college-bound student. The mathematics curriculum has been consolidated in some specific areas, while at the same time expanding the offerings in the senior program. This was done to better prepare the work-bound student whose math skills may be essential for securing and maintaining a position. The English Department, on the other hand, moved its life skills program from the senior year to the junior year to meet the needs of our co-op student in a more timely manner. These changes were effected through the efforts of teachers, parents, and employees as they met to discuss curricula in accordance with the new Basic Skills regulations.

As mandated by the State, all freshman students were administered tests in the basics of reading, writing, and mathematics. Eighty-eight percent of these students passed the reading portion, ninety-five percent the writing, and sixty-six percent were successful in the mathematics area. Students who failed to pass any portion of the Basic Skills tests will be retested in their sophomore year.

The results were shared with the vocational and technical staff so that students with identifiable needs could be given the specific knowledge and assistance to insure a measure of success.

Vocational Department

All twelve vocational shops have been busy with both off-site and on-site customer service. This work has been completed satisfactorily at substantial savings to the residents in the district, while at the same time providing sound educational "hands-on" experience to the student.

Some shops are more suited to in-house work than others. The busiest of these are the Auto Repair departments where major work was completed on a variety of American and European made cars. There were four skills areas in which senior students became more proficient: 1) diagnostic work of trouble-shooting engine problems, 2) front-end alignment, 3) engine rebuilding, and 4) body sectional replacement.

The Electrical department has completed several repair jobs and modified others to meet the various needs of several other shops in the school.

The Tri-County wood-burning stove continues to be an item in great demand, and the students in the Metal Fabrication shop continue to construct them according to specifications.

The most diversified of courses at Tri-County, Plant Maintenance, offered customer repair service to such items as lawn mowers snow blowers, chain saws, marine and outboard motors.

Several towns in the district are benefiting from the work of students at Tri-County. Several shops were involved with construction work for the Millis Housing Authority's Building Complex, Millis High School, and the Millis Recreation Department. Roof shingling for the Sherborn Fire Department was completed and several Franklin residents took advantage of the Sheet Metal, Plumbing, and Carpentry departments.

It was, indeed, a very productive and busy year for the vocational trade students and their instructors.

Technical Department

The service programs in the technical department continue to be supported by organizations and individuals comprising the member communities. Expanding the scope of their services, the students in the Child Care program observed and enjoyed the behavior of toddlers whose ages ranged from 18 months to 30 months.

Electronics continues to be a popular choice for students and the number of females choosing

a hi-tech career has increased noticeably. An added component this year was the formal organization of the Tri-County Amateur Radio Association.

Major projects for community service organizations were accepted and successfully completed by the Graphic Arts department. The Southeastern Chapter of the American Heart Association was extremely pleased with the 1982 calendars designed and printed by Tri-County students.

The advisory committee for Cosmetology joined the students and their parents in successfully sponsoring "Fashion Follies" for the purpose of raising scholarship money.

With monies received from a federal grant, the Commercial Art department developed and produced a multi-image slide presentation describing the career opportunities available at Tri-County. This audio visual production was used to introduce the school to prospective students and their parents.

As in previous years, the curricula in the Technical Department continue to be revised in order to keep pace with the accelerated growth in technology today.

Special Needs Department

During 1981, slightly over 280 students with identified special needs were served at Tri-County. This is only a slight increase over the previous year and indicates a leveling off of numbers. We have been involved with the special needs department in each public school system in our district for long-range planning purposes and will continue to modify programs as student needs dictate.

In December 1981, a team from the Mass. Dept of Education conducted a review of Tri-County's special education programs to ensure compliance with federal and state legislation. The report of this team will be filed in the Spring of 1982 and is expected to reflect that all provisions of the laws are being met.

A new position was created with federal vocational education funds this year. The vocational resource teacher has been providing support services to special needs students in occupational training areas and providing a career counseling component to the educational programs of those ninth grade pupils enrolled in the vocational exploratory program.

Guidance Department

Applications were processed and two hundred eighty-five freshmen were accepted in September for the '81-'82 school year. That

brought the enrollment in Grades 9 through 12 to a total of 1156 students. Of that number, 190 are residents of Walpole.

Of the June 1981 graduates, 74 were from the Town of Walpole.

The guidance staff were kept extremely busy with a variety of activities for students that were both educational and enjoyable. The testing services included the Armed Services Aptitude Test Battery and the Pre-Scholastic Aptitude Tests.

Several assemblies and presentations were given by the various branches of the armed forces group, colleges, and technical schools. One of the featured highlights of the year was a basketball clinic given by Nate Archibald of the Boston Celtics in the Tri-County gymnasium. Through the Guidance Department, several scholarships were presented to deserving graduates from the district towns of Franklin, Medway, Sherborn, Walpole, Medfield, and Millis.

The Cooperative Educational Program has over 100 seniors placed in 102 worksites. The district communities have made 58 of their businesses available to Tri-County students, as well as other worksites in twenty-one out-of-district communities.

The evaluations of this program continue to be of a positive nature and its success can be measured by the large number of students who remained employed upon graduation.

Athletic Department Sports Review

The past year proved that experience does make a difference as evidenced by the improvement in performance of the athletic teams. While only two teams, Spring Track and Cross Country, captured Colonial League Titles, all Tri-County teams were competitive.

During the winter, the boys' and girls' Basketball teams exhibited many fine individual and team performances. The girls surprised and upset league opponents and were spoilers throughout the season. The boys' Basketball Team displayed a desire to win and improved on their previous win-loss record.

Three intramural events were held this past year: The annual student-faculty Volleyball and Badminton Tournaments and the first annual Cougar Bouts in Boxing. All of these events added to school spirit and were extremely successful.

During the fall, Football, Soccer (for boys and girls) and Cross Country were offered. The Football team had its most successful season in 1981 through the execution of plays by outstanding defensive and offensive linemen. The boys' Soccer team played under the direction of a new

coach and with several unseasoned players. The girls' Soccer team competed in a very difficult league but had an outstanding goalkeeper.

But Tri-County's championships came in Cross Country and spring Track. The Track team captured its second Relay Carnival Championship and its first league title. The Cross Country team also successfully defended their title for the second year in a row.

The Athletic Department looks optimistically toward 1982 and hopes to continue to offer opportunities for our students to develop their athletic skills and qualities of good sportsmanship.

Evening School Program

Because of budgetary constraints, the Tri-County Regional School Committee voted to discontinue funding appropriations for the evening school programs.

However, realizing that district residents wanted self-improvement courses, the Committee voted to allow the school to continue provided it was self-supporting.

Through the efforts of many individuals, the evening school is operating with 180 students in attendance in nine different programs. Thus, this first year of functioning on an independent financial level has been reasonably successful. The experience gained will no doubt insure an even more successful course of studies in the future.

Graduation

The first outdoor graduation was held on May 31st at 1:00 P.M. and the Class of 1981 took their seats under bright, blue skies. Two hundred sixty-five seniors, their families, and guests listened attentively to the words of Senator John Parker and the valedictory address given by Kenneth DeRosier.

Musical selections were presented by the Medway Junior-Senior High School Band, and the Reverend Henry Chambers of St. Mary's Parish in Franklin offered the invocation and benediction.

Student Activities

Student activities were many and varied. The Outing Club offered such events as trips in the Newburyport and Quincy Bay areas, skiing on Temple Mountain in New Hampshire, and a climbing excursion to Mt. Monadnock which included an overnight stay on the camp grounds of Greenfield State Park. More than forty students were escorted to a Bruins game at Boston Garden as well as to Beatlemaniacs at the Providence Civic Center.

These activities were made available at minimum cost to the student and no cost to the school because of the unselfish dedication of effort and time on the part of Mr. Robert Wyman, adjustment counselor, and several staff members.

The members of the Junior Class held their prom at the Blue Hills Country Club in Canton. The theme was "Always and Forever," with an archway of roses the dominant decoration for the evening's festivities.

In December, the first annual senior dinner-dance was held in the cafeteria at Tri-County. Dinner was prepared and served by students in the Culinary Arts Department to one hundred eighty-two seniors and invited guests. The semi-formal affair was enhanced by music provided by a seven-piece band.

For the first time, we became involved with Vocational Industrial Clubs of America. Membership peaked at 100 students from eleven shop areas. Thirty-three of these students vied for recognition at the state competition held in Lexington, Mass. Gold medals were awarded to two Tri-County students who then represented Massachusetts at the national level in Atlanta, Georgia.

Although there were no winners at the competition, the students returned with more knowledge and enthusiasm about their particular career choice. Their degree of self-confidence increased immeasurably and they're looking forward to becoming involved in 1982..

Community Service

The facilities at Tri-County lend themselves to community activities and they were used advantageously by the American Red Cross and the Franklin Lifesavers Association. Cardiopulmonary resuscitation and choke-saver courses were offered several times during the year to community groups as the need arose.

The Tri-County Bloodmobile held annually in February collected 66 pints of blood. More than three-fourths of that total was donated solely by the staff and students at the school.

On-Site and Off-Site Facilities

Tri-County was invited by the Town of Medfield to participate in their "Discover Medfield Day" which took place in early October. Several faculty members, students, and administrative staff joined the eighty-four other exhibitors in introducing the residents in a more meaningful way to Tri-County and the services it offers. It was a successful day and no doubt will be repeated next year.

Tri-County hosted a team from the National Aeronautics and Space Administration Aerospace Education Services Project in April for two weeks.

The team visited 30 elementary, junior and senior high schools in the Tri-County district as well as several schools in Shrewsbury, Foxboro, and Mendon.

The lecture-demonstration was used to acquaint the educational community with the major accomplishments and future objectives of this country's space program.

The general public also enjoyed this lecture-demonstration by the NASA team at the annual Tri-County Open House held in April. The fifty-minute program consisted of a presentation which included rocketry, satellites, space communication, and space benefits as well as NASA's international program, the Viking mission to Mars, Voyager to Saturn, and the Space Shuttle.

Teacher workshops were also sponsored and held at Tri-County as a free service to participating schools.

The project was coordinated by Bibiana Nowacke, our Technical Coordinator, and the educational programs office of the Goddard Space Flight Center in Greenbelt, Maryland.

Budget

As announced in last year's report, assessments to all towns did increase in July 1981. This was primarily due to the unusually low assessments of the previous year as a result of a school aid of one million dollars in excess of the amount anticipated. Assessment to the Town of Walpole was in the amount of \$599,710.02, which represents 26.52% of the total district-wide assessment. In the future, school aid should be more predictable and, consequently, assessments should stabilize in accordance with each town's enrollment.

In conclusion, we wish to express our gratitude and appreciation to all residents of Walpole for the support of vocational technical education. We wish, also, to express to you our continued commitment to offer quality education to students in the most cost effective manner available.

PUBLIC LIBRARY

Staff

Library Director — Lynda R. Heller
Administrative Assistant — Dorothy Wronski
Technical Services Librarian — Louise Hawkins
Children's Librarian — Ruth Mahan
Assistant Children's Librarian — Loretta Parasco

The year 1981 has seen many changes at the Walpole Public Library. The areas of major changes have been in staffing, buildings, and library operations. A new Library Director joined the staff in January upon the retirement of Mary Locke. The retirement of Dolores Munson and budget cuts affecting the two branch libraries led to Louise Hawkins' becoming Technical Services Librarian; Ruth Mahan, Children's and Young Adult Librarian; and Loretta Parasco, Assistant Children's Librarian.

After months of formulating and compiling a budget to deal with spending cuts demanded by the reduction in the Town's financial resources it was necessary to close the North Branch Library on May 16, 1981. The closing was caused by a reduced library budget and the Town's decision to sell the Old Fisher School where the Branch was housed.

The East Walpole Branch Library fared better. The Bird Companies Charitable Foundation offered a \$6,000 grant if the Town would match the funds. Town Meeting agreed to match the amount and the East Branch was able to remain open with reduced staffing for 18 hours a week after June.

These reductions in Library services mobilized a group of citizens into forming a Friends of the Library group that has helped the Library numerous ways, most noticeably in programming and fund raising. Their first book sale was a notable success.

Cooperative buying programs for books and library supplies, procedure changes, and collection evaluation have allowed the library to provide better services while keeping costs down.

The Children's Department has been very active. Pre-school Story Hours for children 3 to 5 years of age are held two or three times a week except for the summer months. Saturday Story Hours are provided by a volunteer on alternate Saturdays during the school year.

Film, craft, music and storytelling programs and library tours have been a regular part of the

activities offered to children of all ages. National Children's Book Week was celebrated with a new book display and an art contest.

Two reading clubs were held: one at the North Branch during the spring and one at the East Branch and the Main Library during the summer. Four hundred forty-three children participated in the Summer Reading Safari. McDonald's and Newport Creamery generously provided coupons for free food items awarded for each four books read.

Additions to the Library this year have included: a new collection of materials for Young Adults, a colorful mural designed and painted by Becky Cole, and gifts of periodical subscriptions, books, and an Audubon Society membership.

The Library continued to participate in the grant program sponsored by Book Affair. The Library received matching funds for the purchase of literary periodicals and books of poetry and fiction from small presses. Walpole Outreach Services was the title of an LSCA Title I grant applied for by the Library but not funded by the Massachusetts Library Commissioners. Through the efforts and support of Mr. Joseph C.K. Breitenicher, Executive Director of the Bird Companies Charitable Foundation, the Library was

designated as a local affiliate of the Foundation Center, a national source for fund raising information.

One of the most exciting developments this year was the Walpole Public Library's inclusion in an LSCA Title I grant project developed by the Eastern Massachusetts Regional Library System and the Boston Public Library. The project will allow the Walpole Public Library to have the loan of a CRT terminal which will communicate with the computer used in the Boston Public Library Cooperative Cataloging Program. We will receive sets of catalog cards, while building a machine readable data base and allowing on-line searches for resource sharing.

The Walpole Arts Council has continued to improve the Library's cultural atmosphere with monthly art displays, programs and film showing.

I would like to thank the Library Staff, Board of Trustees, Town Administration and Friends of the Library for their cooperation and willingness to work toward improved library services. Thanks also to Mary Locke and Dolores Munson for the many volunteer hours they have contributed. I especially appreciate the support given me and confidence shown me, during this first year, by the Board of Trustees.

TOWN PLANNING

WALPOLE PLANNING BOARD

The Planning Board meets the first and third Thursday each month plus special meetings as required. We have had 32 meetings this year plus joint meetings with several other boards and town officers to discuss items of mutual concern.

This has been an eventful year for the board with the resignation of Mr. John Cosman on March 2, 1981. Mr. Cosman has served on the Planning Board for over 20 years. He has been extremely helpful to the newer members of the board. John, thanks for your help and for so generously contributing your wealth of experience.

The board reviewed, approved, or disapproved over 30 Form A's (each involving property line changes), reviewed several study and preliminary subdivision plans, approved four subdivision developments and made recommendations on numerous site plans. We also held 13 public hearings on rezoning, scenic roads, subdivisions, Zoning By-Law changes, and Sign By-Law changes.

The board has been reviewing the Rules and Regulations, the Zoning By-Laws, and specifically the Zoning Map with the intention of updating them and minimizing problem areas.

PERSONNEL BOARD

The Personnel Board was established in 1954, to administer and enforce a classification and compensation plan for all non-exempt Town employees.

In April, 1981, the Personnel Board submitted to Town Meeting, recommendations for an updated salary schedule after conducting an extensive salary survey. Simultaneously, the Board proposed amendments to the Personnel By-Laws.

Also, during 1981, the Board implemented a sick leave policy along with continuing with their Management Development Program.

The Board approved the following salary actions: 118 Non-Union Merit Increases, six promotions, nine transfers, seventeen Union Step Increases, four reclassifications, along with the regular yearly union increases.

Mr. Bielenin served on the negotiating team for the Fire Department's new contract. Mr. Walrapp served on the Library Negotiating Team, and Mr. Boyd served on the Police Negotiating Team.

The Personnel Board meets the first and third Mondays of each month at 7:30 p.m. The Public is invited.

BOARD OF SEWER & WATER COMMISSIONERS

The Board of Sewer & Water Commissioners was established in 1973 by virtue of the "new" Town Charter. This Commission consists of five members elected at large by vote of the registered voters of the town for three years, overlapping terms such that the term of office of not more than two members shall expire each year.

In May, Edward J. Delaney was re-elected as chairman of the Board. Mr. Robert Barrett was reinstated as clerk and remaining members were

Stephen Smith and Patrick Fasanello. Mr. Edward J. Forsberg was elected to the Board in May.

The Board of Sewer & Water Commissioners wish to welcome Norma W. Stowe, Superintendent of Sewer & Water to the Town. We feel that she is immensely qualified for her position, has made many improvements to the water supply and will continue to do so in the future.

The Board of Sewer & Water Commissioners are overseers of the Water and Sewer Divisions of

the D.P.W. The Board is also responsible for the work performed in the area of sewer, water and drainage under various articles approved by Town Meeting.

The Board of Sewer & Water Commissioners was involved in several important projects during the past year. These included a series of Joint Communities Meetings on Public Water Supply, held in Walpole. Mr. Edward Delaney presided as chairman. A committee was formed of representatives from surrounding towns, to plan for dealing with water supply emergencies on a regional basis, and mutual aid. Guest speakers, workshops and seminars are planned for future meetings.

We are pleased to report on the following projects which have been completed or are under construction during this year:

Construction of 8" main to loop water services for 50 homes in the Hoover, Page Road area.

Construction of 8" water mains on William and Marion streets.

Replaced roof and painted one water storage tank at High Plain Street.

Began construction of major sewer lateral project to provide services to Tobbins Road - Haynes Street area; East Street area in the vicinity of the Bird Middle School; and Brown and Oak Hill Drive neighborhood. This project will cost about \$750,000, of which about 40% of the eligible costs will be reimbursed by the State.

During the course of the year regulations for the sewer system were updated and new booklets printed. Some other policy issues addressed include:

Regulations requiring Septic Waste Disposal Vendors to have vehicles inspected yearly by the Health Department.

Converted all customers with annual water charges of more than \$400 to a monthly billing.

Amended Water Department Rules and Regulations to reflect increase changes for service installations.

Adopted a Frozen Water Pipe policy to insure equitable treatment of customers.

Established procedures to review installation of underground fuel storage tanks in order to protect ground water supplies.

It is the number one concern of the commission to continue to work to improve the quality and supply of the water system. The systematic Hydrant Flushing Program has had a positive effect on the water quality; we will continue the program to remove sediment from lines.

The Board of Sewer & Water Commissioners wish to extend their appreciation to the Town Administrator, James E. Mello, who is also Agent for the Board of Sewer & Water Commissioners, Peter Boghossian, Director of Public Works/Town Engineer, his staff and various boards and other Town officials for their cooperation and assistance throughout the year.

HOUSING AUTHORITY

The Walpole Housing Authority is the only autonomous body of Town Government, serving under a Charter from the Commonwealth granted in 1948, to implement housing programs funded by the State, but tailored to the Town of Walpole by the judgement of the Authority's members.

It is composed of four elected officials, serving five year terms each, and one state-appointed official, known as the Governor's Representative, appointed for a five-year term. Rev. John Griswold was appointed August 1981 to serve a second five-year term as State Representative.

Although the Authority began as a state-funded group, it is at the present time both a state and federal agency. Federal funding began in 1979, with the implementation of a Section 8 subsidized housing program, utilizing existing hous-

ing units in Walpole, and requiring the tenant to pay only one-fourth of his/her income towards the rent, while the federal subsidy pays the balance.

This federal program has worked very well in Walpole in housing Walpole families requiring assistance. At the present time, we have thirty-five families receiving this assistance, all Walpole residents, and all housed in Walpole.

The Housing Authority has applied for an additional thirty units of housing, and is hoping for federal funding in 1982, which will allow an additional thirty families some relief from the rents.

Neponset View Terrace, Walpole's first elderly housing development, was begun in 1970. Since that time, 140 persons have been housed at

Neponset View. The present population is seventy persons. Neponset View has given many persons a safe, clean, comfortable, worry-free number of years in which to enjoy their seniority.

In December 1980 the Community Building at Neponset View was formally dedicated as the "Eleanor N. Johnson Community Building" at a Christmas Party for the tenants and Board.

A formal ground breaking for the second elderly housing project off Diamond Street was held in October. This was highlighted by the presence of Governor Edward J. King, Secretary Byron Matthews of the Department of Communities and Development, Senator Arthur J. Lewis Jr., and Representative Francis H. Woodward. This project, which will bring the total of available elderly units to 118, is in the construction stage

with completion scheduled for early autumn. The new housing will have many features that will make it comfortable and safe for our citizens. Passive solar heating is an important feature of the new housing. Some period of sun will reach each apartment each day the sun is out. All apartments will have some large glass area allowing a maximum of sunlight, in most cases, through sliding glass doors.

The buildings are expected to be completed in late summer of 1982, and will significantly improve the situation for housing for the elderly. Applications are available at the office of the Walpole Housing Authority at 9 Neponset View Terrace and can be obtained from the office any weekday or by telephone.

GROUNDBREAKING CEREMONY at the Diamond Street Site, October 1981.

Left to right: Chairman of the Housing Authority, Ernest A. Manocchio, Jr.; Governor Edward King; Executive Director Elizabeth C. Densberger; Secretary of Housing, Byron Matthews; Mrs. Nancy Jarvis, Stanley J. Hayward, George Tyner, and Rev. John Griswold, all members of the Housing Authority.

PERMANENT BUILDING COMMITTEE

The Permanent Building Committee is a board appointed by the Selectmen with the responsibility for all municipal building projects. Probably no building project has occupied the Town longer, from earliest discussion phases through completion, than has the renovation project at Walpole High School, which finally was begun in the spring of 1979.

As 1981 comes to a close, the Permanent Building Committee is preparing to turn the High School back to the School Committee. It is impossible to calculate the extraordinary number of hours which the committee, along with the architectural firm of Rich, Lang & Cote and the general contractors, Wescott Construction, put into this project. We feel the success of the project is evidenced by the building itself.

The exterior work took the form of repairs to the roof, repointing and repairing the brick, and painting the trim. The interior work basically divided into two areas — mechanical/electrical and cosmetic repairs.

Approximately \$3 million of the total \$4.3 million project cost was spent on the mechanical/electrical repairs. Included in this were the specially designed lexan and glass windows which have made a major contribution toward the 50% reduction in fuel consumption as well as virtually eliminating window breakage. The electrical and mechanical aspects of the job also included two new boilers, conversion of the burners to dual use of either gas or fuel oil, relining the 10,000-gallon fuel tank, new lighting throughout the building, a new public address system, complete updating of the electrical system, and meeting the Handicap Barriers Code with ramps, an elevator, toilet facilities, and hardware which now makes the building accessible to the handicapped.

The cosmetic repairs, which are those most readily apparent, involved painting, carpeting, new floors and tiles, and particularly in the older sections, lowering ceilings. It also involved relo-

cating stairways, taking down walls, blocking up windows, and rearranging spaces within the existing structure to create new teaching stations and/or update existing stations to meet current educational standards. Of particular note is the renovation work in the "old gym," converting it into several teaching stations and the two-tiered media center.

Various kinds of equipment were purchased within the framework of this project allowing for 50% state reimbursement. Within the \$4.3 million available to the project, it was not possible to purchase every piece of equipment which was originally requested, but it does include furnishings for science rooms, some math desks, tables and chairs for the cafeteria, language lab equipment, a modular unit for the music department, and various pieces of storage equipment.

The entire scope of this project involved greater detail than is herein recounted; however, suffice it to say that Walpole has a high school which addresses the facility recommendations made in the high school accreditation report, as well as a facility which meets Walpole's projected needs for the next fifty years.

While in the process of closing out the high school project, the Permanent Building Committee has acquired additional responsibilities as a result of the 1981 Spring Annual Town Meeting votes, which authorized the sales of the Bird and Old Fisher Schools, with funds realized from these sales to be put toward the renovation of the Stone School into municipal offices and the conversion of the Town Hall into a new police facility.

By the end of 1981, Philip Windsor of Walpole had been designated architect for the project, James Clerici had been assigned to be Clerk of the Works, and the project had gone out to bid. The bid for contracting the project was awarded to Casby Brothers of West Roxbury and work has commenced, anticipating that all municipal functions will be housed within the building by March, 1982.

INDUSTRIAL DEVELOPMENT FINANCING AUTHORITY

The Industrial Development Financing Authority received and processed one request for financial assistance by means of municipal industrial revenue bonds during the year; this was

from the Walpole Cooperative Bank.

This bond issue was in the amount of \$800,000, and provides for the construction of a 3700 sq. ft. addition to the bank building, plus

complete renovations throughout .

Additional employment anticipated = 10 new jobs.

This is the first IDFA project in Walpole under the "CARD" Program (Commercial Area Revitalization Districts) adopted by the Town.

The continued support, direction and cooperation given by our Board of Selectmen and the Town Administrator and their staffs is greatly appreciated.

WALPOLE MUNICIPAL EMPLOYEES CREDIT UNION

The Walpole Municipal Employees Credit Union, organized in 1938, is celebrating its 44th year of active service to all employees and their immediate families of the Town of Walpole.

Over the forty-plus years of existence, it has served not only as a means of payroll savings to many employees, but also a means to small low interest loans to pay emergency bills, taxes, home repairs or miscellaneous items.

The assets at October 31, 1981 were \$334,074, which is an increase over the prior year of \$17,198. The share balances at October 31, 1981 were \$256,987, and the loans outstanding on the same date were \$216,515. Net income for the year ended October 31, 1981 was \$18,328, on which a 7% dividend was paid on share balances.

The total number of members at October 31, 1981 were 411.

The Board of Directors of the Credit Union who donate their time and efforts to the efficient operation, are as follows:

Marion Kambour, Chairperson
George Conaty
Frank Melo
Mabel Hart
Edith Adams
Armando Betro
James Clerici
Edward Lamore
Pat Marino
Jeannette (Corbett) Tucker
Dorothy Wilbur

FINANCES

TOWN TREASURER

The fundamental duty of the Town Treasurer is to take charge of all Town funds. These funds come from several sources, such as taxation, charges, fees, Federal and State grants.

During the year, the Treasurer's office handled over forty-nine million dollars. This office is one of the highly complex Town depart-

ments, maintaining numerous accounts and extensive records covering such areas as borrowing, bonding, investments, tax titles, cemeteries, trust funds, payroll and all deductions for same, reconciling and disbursing accounts payable.

Several times during the year when receipts cannot meet expenses, the Treasurer has to bor-

row in anticipation of tax revenues. This fiscal year the Treasurer had to borrow \$1,000,000.00 in anticipation of taxes.

During the fiscal year 1980-1981 investments made in the Town Treasurer's office realized the following in interest:

General Cash & Bond Issue Monies	\$ 274,848
Revenue Sharing	48,348
Conservation Fund	5,100
Stabilization Fund	21,892
Pension Funding	5,737
Investments: Certificates of Deposit and Repurchasing Agreements	2,543,000

* Invested by Treasurer

BOARD OF ASSESSORS

The revaluation program effective in Fiscal Year 1982 has been a deterrent in our efforts to compile the necessary figures for the Annual Town Report. Due to the lengthy process involved it will be impossible to submit the usual

report for this year.

The constraints imposed by Proposition 2½ have hampered our efforts to a great extent, plus various changes which were enacted in the General Laws have delayed our process.

TOWN COLLECTOR

The period from July 1, 1980 through June 30, 1981 shows an increase in collection in most categories except Motor Vehicle Excise Tax. As of January 1, 1981 the Motor Vehicle Excise Tax rate dropped from \$66.00 per thousand to \$25.00 per thousand, which resulted in a reduction of close to \$600,000. in receipts up to June 30. As you will note the Real Estate and Personal Property Tax Collected did increase by \$339,000., which helped offset some of the reduction in Motor Vehicle Excise Tax.

As in years past, I would like to point out that one of the most misunderstood areas relative to Real Estate Taxes is the assessed valuation period and whose name will be on the Tax bill if a

property is sold. If you have any questions concerning this matter please contact the assessor's Office, and they will explain the laws concerning this matter.

A questionable bill issued to you by this office will not go away simply by ignoring it. You as a taxpayer must take action to resolve it. If you have a question on any bill and cannot find the answer, please feel free to call us. We will continue to encourage communication between you and this office as to the best means of resolving problems that may arise or inform you of changes in billing procedures.

Thank you for your continued cooperation and support.

Recap of Town Collector's Budget and Collections

1. In Fiscal Year 1980/81 there were three full time employees and one part time Administrative assistant. The total budget for the salaries and expenses was \$63,893.
2. The following is a report on monies collected in Fiscal Year 1980/81 and a comparison to monies collected in Fiscal Year 1979/80.

	FY 79/80	FY 80/81
Real Estate & Personal Property Tax	10,457,054.00	10,796,514.00
Water Revenue	610,138.00	517,279.00
Sewer Assessment	32,677.00	53,927.00
Sewer Usage	209,963.00	225,072.00
Street Betterments	2,364.00	6,454.00
Motor Vehicle Excise Tax (All Yrs.)	1,270,543.00	670,483.00
Police Revolving Fund	75,583.00	98,156.00
Fire Revolving Fund	-0-	-0-
Ambulance	12,243.00	14,744.00
Interest: R.E., P.P., M.V.E.	28,255.00	26,874.00
Municipal Lien Certificates	5,910.00	6,150.00
Taxes in Litigation	-0-	9,974.00
Tax Title	50,254.00	61,058.00
Interest on Tax Titles	2,220.00	13,030.00
Farm Animal Excise	265.00	323.00
TOTALS	\$ 12,757,469.00	\$ 12,499,538.00

SELF HELP, INCORPORATED

Self Help, Inc., is greater Brockton's anti-poverty agency dedicated to improving the quality of life of limited-income individuals and families, and making all segments of the community responsive to the needs of limited-income, disadvantaged and minority needs.

During the program year ending September 30, 1981, Self Help, Inc. received a total funding of \$9,273,787. and provided 289,149 direct services to the area's limited-income individuals and families. Walpole residents received 259 direct services totaling \$155,279. during our program year.

The total funding of 9 million dollars does not tell the real value of human services delivered to

the area as a whole. Self Help's funding enabled us to mobilize an additional \$1,426,213. of other community resources such as CETA, Commonwealth Service Corps, and local City and Town contributions as well as volunteers. The gross volume of Self Help, Inc., during the past program year was 10.7 million.

Self Help currently employs 189 individuals, many of whom are limited-income and minorities.

We feel that the program year 10/1/80 to 9/30/81 was a successful one for Self Help, Inc., and very helpful to our limited-income population. We thank the area's Board of Selectmen and town volunteers for helping to make our program a success.

GROSS SALARIES, TOWN EMPLOYEES

Printed below are the gross salaries of town employees who earned more than \$500 in 1981. The information was obtained from the treasurer's computer run and should be accurate. We would

like to stress that these are not necessarily straight time earnings and may include overtime, stipends for extra duties, and in some cases, income from more than one department.

TOWN MEETING ABSTRACTS

NOTE: The following reports of town meetings are condensed from the official reports and indicate motions which bind the town. For details of debate and subsidiary motions the reader is referred to the official minutes in the office of the town clerk.

COMMONWEALTH OF MASSACHUSETTS TOWN OF WALPOLE FEBRUARY 23, 1981

MEETING OF PRECINCT 3 RTM MEMBERS FOR THE PURPOSE OF FILLING A VACANCY

At a meeting held on February 23, 1981 in the West Junior High School for the purpose of filling a vacancy in the RTM Membership in Precinct 3, in accordance with Section 2-7(B)1 of the Walpole Home Rule Charter, the following action was taken:

Edward J. Delaney was elected Chairman and Town Clerk, Louis E. Hoegler was designated Clerk.

Helen M. Parlon, 22 Eleanor Road was chosen to fill the vacancy created by the resignation of Karl H. West, Jr.

FEBRUARY 23, 1981

Norfolk, ss.

Pursuant to the foregoing warrant of February 23, 1981, the Special Town Meeting of the Town of Walpole was called to order at 7:30 PM by Moderator Robert B. Boyd, Jr. All rules and regulations concerning the calling of a special town meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Town Clerk, Louis E. Hoegler attested to proper return of the warrant.

VOTED: To waive the reading of the warrant.

It was Moved, Seconded and

VOTED: That all motions of the Finance Committee be Main Motions.

ARTICLE 1

VOTED: That the Town approve the monetary items in an agreement between the Town of Walpole and the American Federation of State, County, and Municipal Employees, AFL-CIO, State Council #93, Local 1957, Town Hall Clerical Employees, and raise and appropriate by transfer from Free Cash the sum of \$10,460 to defray the costs of said agreement for the period of July 1, 1980 through June 30, 1981.

ARTICLE 2 NO ACTION

ARTICLE 3

VOTED: That the Town raise and appropriate by transfer from Free Cash the sum of \$6,500 to purchase a motorcycle for use by the Walpole Police Department, said appropriation to be reimbursed by a Federal grant-in-aid awarded to the Town of Walpole by the Governor's Highway Safety Bureau.

ARTICLE 4

VOTED: That the Town take NO ACTION.

THERE BEING NO FURTHER BUSINESS TO COME BEFORE THIS SPECIAL TOWN MEETING, IT WAS MOVED, SECONDED AND VOTED THAT THIS MEETING BE DISSOLVED. THE MODERATOR SO DECLARED AT 8:30 PM.

ANNUAL TOWN MEETING (Spring Session) April 6, 1981

Norfolk, ss.

Pursuant to the foregoing warrant of April 6, 1981, the Annual Town Meeting (Spring Session) was called to order at 7:35 PM by Moderator Robert B. Boyd. All rules and regulations concerning the calling of a town meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Louis E. Hoegler, Town Clerk, attested to proper return of the warrant.

The following Tellers were appointed: Frank Hilts and Joseph Tarbell.

The meeting was recessed at 7:40 PM by the Moderator for the purpose of holding a Revenue Sharing public hearing. David Wakefield, Chairman of the Finance Committee conducted the hearing which closed at 7:47 PM.

Town Meeting reconvened at 7:47 PM.

VOTED: To waive the reading of the warrant.

VOTED: That the motions of the Finance Committee be Main Motions.

RESOLUTION

On Resolution offered by Bernard J. Duffy, Pct. 3, it was Moved and Seconded:

BE IT RESOLVED:

That because of insufficient information this Town Meeting is unable to vote certain articles requiring the appropriation of monies;

That these articles to be determined by the Town Meeting be deferred for action by a Special Town Meeting to be called by the Selectmen prior to June 30, 1981;

That prior to the dissolving of this Annual Town Meeting, the Selectmen be advised as to the articles the Town Meeting wishes to reconsider at a later date and that these articles be inserted by the Selectmen in the Special Town Meeting.

VOTED: To Close Debate.

Resolution was then: DEFEATED

ARTICLE 1

VOTED: That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the twelve month period beginning July 1, 1981 in accordance with General Laws, Chapter 44, Section 4 and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969 as amended and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 2

Chairman James R. Merriam of the Downtown Revitalization Committee submitted a report to the Representative Town Meeting Members.

VOTED:

BE IT RESOLVED:

That the Town Meeting vote to support the Downtown Revitalization Committee and its work so far and wishes the committee to continue to work towards implementation of the plan.

Selectman Alan D. Rockwood submitted a report of the Municipal Space Needs Committee to the Representative Town Meeting Members.

Joseph M. Denneen submitted a report of the Solid Waste Committee to the Representative Town Meeting Members.

The Moderator declared a recess for the purpose of caucus of the precincts to elect members to the Rules Committee at 9:15 PM.

The Moderator reconvened the meeting at 9:25 PM and announced the following duly elected slate:

Precinct 1 - Oscar Lambine

Precinct 2 - Robert Lee

Precinct 3 - Clifford Barnes, Jr.

Precinct 4 - Paul Follett

Precinct 5 - John Ferrara

Precinct 6 - Laura Warcup

Precinct 7 - David Orrechio

ARTICLE 3

VOTED: That the Town raise and appropriate from taxation the sum of \$30,000 to defray the interest payment on any monies borrowed under Article 1.

ARTICLE 4

VOTED: That the Town raise and appropriate from taxation the sum of \$6,700 to engage a Certified Public Accountant or firm of Accountants to audit all accounts of the Town in accordance with Article VI, Section 10-B of the Walpole Home Rule Charter.

ARTICLE 5

VOTED: That the Town approve the amendments to the Personnel By-Laws as follows:

1. *Amend Article 13, Vacations, to Read:*

On the tenth anniversary date, four (4) weeks; and on the twentieth anniversary date, five (5) weeks.

Current By-Law reads: on the thirteenth anniversary date, four (4) weeks; and on the twenty-third anniversary date, five (5) weeks.

2. *Amend Article 15, Personal Leave, Section A, to read:*

Regular full time employees shall be entitled to take two (2) days of Personal Leave with pay per fiscal year.

Current By-Law reads: one day of personal leave with pay per fiscal year.

ARTICLE 6

VOTED: To divide Part A in Section II (Elected Officials).

That the Town approve the new salary schedules as recommended by the Personnel Board with the following amendments:

A. ELECTED	SALARY PER YEAR
Tax Collector	\$ 7,920
Town Treasurer	7,920
Chairman, Board of Selectmen	960

Louis E. Hoegler
Town Clerk

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF WALPOLE
SPECIAL TOWN MEETING
JUNE 22, 1981**

Norfolk, ss.

Pursuant to the foregoing warrant of June 22, 1981 the Special Town Meeting of the Town of Walpole was called to order at 7:40 PM by Moderator Robert B. Boyd. All rules and regulations concerning the calling of a special town meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Town Clerk Louis E. Hoegler attested to proper return of the warrant.

The following Tellers were appointed: W. Roderic Bruce and Frank Hilts.

It was Moved, Seconded and

VOTED: To waive the reading of the warrant.

It was Moved, Seconded and

VOTED: That all motions of the Finance Committee be the Main Motions.

RESOLUTION

On Resolution offered by Thomas H. McCormack, Pct 7, it was Moved, Seconded and

VOTED: That this Special Town Meeting support the Senate version of the FY 82 state budget that provides three hundred million dollars additional local aid without any new taxes and that the Honorable Thomas W. McGee, Speaker of the House, and our State Representative, the Honorable Francis H. Woodward be so notified of this action.

ARTICLE 1

VOTED: That the Town approve the monetary items in an Agreement between the Town of Walpole and the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, Local 1957, Department of Public Works Employees and raise and appropriate from taxation the sum of \$39,300 to defray the costs of said Agreement for the period of July 1, 1981 through June 30, 1982.

ARTICLE 2

VOTED: That the Town take NO ACTION on this article.

ARTICLE 3

VOTED: That the Town approve the monetary items in an Agreement between the Town of Walpole and the American Federation of State, County and Municipal Employees, AFL-CIO, State Council 93, Local 1957, Library Employees and raise and appropriate from taxation the sum of \$3,752 to defray the costs of said Agreement for the period July 1, 1981 through June 30, 1982.

ARTICLE 4

VOTED: That the Town approve the monetary items in an Agreement between the Town of Walpole and the Massachusetts Coalition of Police-IUPA, AFL-CIO, Local 115, and raise and appropriate from taxation the sum of \$32,600 to defray the costs of said Agreement for the period of July 1, 1981 through June 30, 1982.

ARTICLE 5

That NO ACTION be taken on this article.

That the Town amend its Zoning Map to the extent of changing the district designation of the following described parcel of land from "RA-Residence A Distict" to "LM-Limited Manufacturing District":

Beginning at a point, said point being the intersection of the northerly sideline of Coney Street with the centerline of Boston Providence Turnpike; thence running along the northerly sideline of Coney Street S.39° 34' 10" E. a distance of 380.33 feet, the last course being by the existing Limited Manufacturing District; thence turning and running on a property line extended S.56° 14'45"W. a distance of 60.30 feet to the property corner on the southerly side of Coney Street; thence running along a property line S.56° 14'45"W. a distance of 360.73 feet; thence running along a property line S.56° 53'30"W. a distance of 332.42 feet; thence running along a property line S.57° 38'10"W. a distance of 138.95 feet; thence running along a property line S.57° 21'15"W. a distance of 275.65 feet; thence running along a property line S. 56° 43'00"W. a distance of 213.60 feet, the last six (6) courses being by the existing Residence A District; thence turning and running along a property line N 56° 02'30"W. a distance of 153.80 feet to the property corner on the southerly side of Boston Providence Turnpike, the last course being by the existing Business District; thence running on a property line extended S.56° 02'30"W. a distance of 54.32 feet to the centerline of Boston Providence Turnpike; thence turning and running along said centerline N.56° 57'58" E. a distance of 279.59 feet to the point of curvature of a curve within a radius of 2501.97 feet; thence running generally northeasterly along said curve a distance of 535.78 feet thence running along the centerline of Boston Providence Turnpike N.44° 41'48" E. a distance of 622.60 feet to the point of beginning, the last four (4) courses being by the existing Residence A District.

VOTED: That the Substitute Motion be the Main Motion.

VOTE: YES - 85 NO - 25

After Discussion,

VOTED: To Move the Question.

As Main Motion it was Moved, Seconded and

DEFEATED: YES - 38 NO - 88

ARTICLE 6

VOTED: That the Town accept Amendment No. 3 to the Agreement establishing the Tri-County Regional Vocational Technical School District ("Tri-County") as adopted by vote of the Tri-County School Committee on June 11, 1980. The Agreement provides in substance that in recognition of the adoption of the Town of Franklin of a home-rule charter, which eliminates the town meeting and board of selectmen, members of the Tri-County School Committee from Franklin shall be appointed by the Chairman of the Town Council, Chairman of the School Committee and town Administrator, acting jointly, and further, that for purposes of the District Agreement the Town Council of Franklin shall have the power to take actions required to be taken by town meetings of the member towns and notices required to be sent to the boards of selectmen of the member towns shall be sent to the Town Administrator of Franklin. A copy of the text of Amendment No. 3 is on file in the office of the town clerk where it may be examined during normal business hours.

THERE BEING NO FURTHER BUSINESS TO COME BEFORE THIS SPECIAL TOWN MEETING, IT WAS MOVED, SECONDED AND VOTED THAT THIS MEETING BE DISSOLVED. THE MODERATOR SO DECLARED AT 9:25 PM.

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF WALPOLE
ANNUAL TOWN MEETING
(Fall Session)
OCTOBER 19, 1981**

Norfolk, ss.

Pursuant to the foregoing warrant of October 19, 1981, the Fall Session of the Annual Town Meeting was called to order at 7:30 PM by Moderator Robert B. Boyd. All rules and regulations were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

Town Clerk Louis E. Hoegler attested to proper return of the warrant.

The following Tellers were appointed: James Harris and John Farrell.

RESOLUTION

On Resolution of Willis D. McLean, proffered by Edward J. Delaney, RTM,
It was Moved, Seconded and
VOTED:

WHEREAS, James D. Walsh, a valued employee of the Public Works Department of the Town of Walpole for thirty years passed away on August 21, 1981, and

WHEREAS, his proficiency in carrying out his duties brought about his appointment as Superintendent of the department on June 11, 1974 and Tree Warden and

WHEREAS, his intimate knowledge and interest in the welfare of his native town resulted in his election as a Town Meeting Member at the inception of the new form of government and his loyal, effective service to the community in this capacity continued until his death, be it therefore:

RESOLVED: That at this, the Fall Session of the Annual Town Meeting on October 19, 1981, the members on behalf of the Town express their gratitude and appreciation for his services and that this tribute be recorded in the minutes of this meeting and that it be published in the next issue of the Walpole Times.

VOTE: UNANIMOUS

The hour of 7:35 PM having arrived, the Moderator recessed this Annual Town Meeting to call to order this Special Town Meeting as called for in that warrant.

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF WALPOLE
SPECIAL TOWN MEETING
OCTOBER 19, 1981**

Norfolk, ss.

Pursuant to the foregoing warrant of October 19, 1981, the Special Town Meeting of the Town of Walpole was called to order at 7:35 PM by Moderator Robert B. Boyd. All rules and regulations concerning the call of a Special Town Meeting were fulfilled and a quorum was present.

Town Clerk Louis E. Hoegler attested to proper return of the warrant.

The following Tellers were appointed: James Harris and John Farrell.

VOTED: That the Town postpone action on the following articles until 7:30 PM on Wednesday, October 28, 1981:

ARTICLES 3, 7, 8, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20 and 21.

Standing Vote: YES — 69 NO - 38

VOTED: To waive the reading of the warrant.

VOTED: To accept the Finance Committee motions as Main Motions.

ARTICLE 1

VOTED: That the Town rescind its action under Article 1 of the Special Town Meeting of May 3, 1971 acceptig the provisions of Chapter 41, Section 108L in accordance with Massachusetts General Laws, Capter 4, Section 4B.

ARTICLE 2

That the Town raise and appropriate from taxation the sum of \$164,000 to settle the pending lawsuit of Joseph P. Betro et al vs. Town of Walpole et al at Norfolk Superior Court 125034 coupled with the securing of releases from those officers, except Chief Armando J. Betro, entitled to any benefits under Chapter 41, Section 108L for past, present and future incentive pay.

After Discussion,
VOTED: To Close Debate.
Main Motion was then
VOTED: UNANIMOUS

RESOLUTION

VOTED:

That the Selectmen insert an article in the next town meeting to petition the Legislature for reimbursement of \$82,000 or any part thereof under the provisions of Chapter 41, Section 108L of the Massachusetts General Laws.

ARTICLE 4

VOTED: That the Town approve the filing of a petition of the General Court under the provision of Section 8, Article 89 of the amendment to the Constitution for an Act revoking all actions and votes therein at the May 3, 1971 Walpole Special Town Meeting on Article 1 nunc pro nunc to the aforesaid date May 3, 1971.

ARTICLE 5

VOTED: That the Town take NO ACTION.

ARTICLE 6

VOTED: That the Town approve the monetary items in an agreement between the Town of Walpole and the Walpole Permanent Firefighters Association and raise and appropriate from taxation the sum of \$17,200 to defray the costs of said Agreement for the period of July 1, 1981 through June 30, 1982.

ARTICLE 9

VOTED: That the Town raise and appropriate from taxation the sum of \$70,000 to defray the interest payment on any monies borrowed in anticipation of the revenue for the twelve-month period beginning July 1, 1981 in accordance with Massachusetts General Laws, Chapter 44, Section 4, and acts in amendment thereto, Chapter 849 of the Acts of 1969 as amended and to renew any note or notes as may be given for a period less than one year in accordance with Massachusetts General Laws, Chapter 44, Section 17.

VOTED: To adjourn this Special Town Meeting until October 28, 1981 at 7:30 PM. Said meeting adjourned at 9:00 PM.

COMMONWEALTH OF MASSACHUSETTS TOWN OF WALPOLE RECONVENED ANNUAL TOWN MEETING OCTOBER 19, 1981

Norfolk, ss.

The Annual Town Meeting which was recessed at 7:35 PM to observe the call of the Special Town Meeting was reconvened at 9:20 PM by Moderator Robert B. Boyd. All rules and regulations were fulfilled and a quorum was present.

RESOLUTION

On Resolution offered by Elizabeth R. Nashawaty, It was Moved, Seconded and
VOTED:

RESOLVED: That this Town Meeting thank Maureen Rivers for her efforts in the celebrations of the 100th anniversary of the Town Hall along with the Historical Commission, Historical Society and the Celebration Committee.

VOTE: UNANIMOUS

VOTED: To waive the reading of the warrant.

VOTED: To accept the Finance Committee motions as Main Motions.

ARTICLE 1

VOTED: That the Town amend the Zoning By-Laws by deleting Section 9-F-3 and insert the following:

"The petitioner shall pay all costs for the publication of necessary legal notices and shall present a receipted copy of the bill for publication costs at the public hearing."

VOTE: UNANIMOUS

ARTICLE 2

VOTED: That the Town amend the Zoning By-Laws by deleting Section 3-B-lp.

VOTE: UNANIMOUS

ARTICLE 3

VOTED: That the Town amend the Zoning By-Laws Section 3-B-1r, and redesignate as follows: "Use is prohibited in General Residence District."

VOTE: UNANIMOUS

ARTICLE 4

VOTED: That the Town amend the Zoning By-Laws by renumeration the following sections: Section 3-B-1-q becomes 3-B-1-p, Section 3-P-1-r becomes 3-B-1-q.

VOTE: UNANIMOUS

ARTICLE 5

VOTED: That the Town amend the Zoning By-Laws by renumeration the following sections: Section 3-B-3-d be redesignated at 3-B-3-e, Section 3-B-3-e be redesignated at 3-B-3-f, and Section 3-B-3-f be redesignated at 3-B-3-d.

VOTE: UNANIMOUS

ARTICLE 6

VOTED: That the Town amend its Zoning By-Laws and Zoning Map to the extent of changing the zoning designation of the following described parcel of land from "LM-Limited Manufacturing" to "GR-General Residence":

Beginning at a point in the northwesterly sideline of Allen Street, said point being the northeast corner of the existing general residence district on the northwesterly sideline of Allen Street as shown on said plan; thence running generally westerly by the northerly line of the existing general residence district, a distance of 1,120 feet, more or less, to a point; thence turning and running generally northeasterly by the easterly sideline of the existing industrial district, a distance of 1,150 feet, more or less, to a point of land of John Marinilli as shown on said plans, thence turning and running generally southeasterly 268 feet, more or less, and northeasterly 174.52 feet by said land of John Marinilli; thence running generally northeasterly on the southeasterly property line of land of Nora E. Johnson, Margaret J. Folan, and Katherine M. Cox, John D. Hopkins, Eugene J., Mary A., Enice S. and Alba Massei, Joseph A. Simonelli, Anthony F. Simonelli, George C. Leonard, James H. Murphy, and Albert T. Ryan by two (2) distances a total of 781.51 feet to a point; thence continuing to run generally northeasterly by land of Dedham Sand and Gravel, Inc., a distance of 70 feet, more or less, to a point of land of Norfolk County-Newton Lung Assoc., Inc. as shown on said plans; thence turning and running generally southeasterly and northeasterly by the southwest and southeast property line of land of Norfolk County-Newton Lung Assoc., Inc. by two (2) distances a total of 326 feet, more or less, to a point on the sideline of Spring Street; thence turning and running generally southwesterly on the northwesterly sideline of Spring Street by seven (7) lines totalling 1,229 feet, more or less, to a point, said point being on the northwesterly sideline of Allen Street; thence running generally southwesterly by the northwesterly sideline of Allen Street a distance of 324.7 feet, more or less, the point of beginning; said area containing 30.1 acres, more or less.

STANDING VOTE: YES - 91 NO - 11

ARTICLE 7

That the Town amend its Zoning By-Laws and Zoning Map to the extent of changing the zoning district designation of a parcel of land shown as Lot E1605 on the Assessors' map and shown on the zoning map as being

partly in the LM-Limited Manufacturing District and partly in the R-Rural District from such LM-Limited Manufacturing District and R-Rural District as it is now designated to RB-Residence B District. Such parcel contains approximately 20.9 acres and is more particularly described as follows:

Beginning at a point on the northwesterly side of Main Street, said point being distant 594 feet southwesterly from a stone bound at a corner of land of Rainbow Gardens, Inc., said point being also distant 392.4 feet southwesterly from a Massachusetts highway bound on said Main Street; thence running at right angle to said Main Street northwesterly 2280 feet to the center line of a ditch at land now or formerly of Lemuel Allen; thence on the center line of said ditch southwesterly to a point; thence 1695 feet southwesterly by land now or formerly owned by Montaup Electric Co.; Evans P. Spear; thence 320± feet southeasterly by land now or formerly owned by Evans P. Spear, Bertina and Wakefield Slack and S.M. Lorusso & Sons, Inc.; thence 60 feet southwesterly by land now or formerly owned by Victor Delmar; thence 343± feet southeasterly by land now or formerly owned by Montaup Electric Co.; thence 350± by Main Street to point of beginning.

VOTED: To Close Debate.

On Standing Vote, Motion was then:

VOTED: YES - 90 NO - 14

ARTICLE 8

That the Town amend its Zoning By-Laws and Zoning Map to the extent of changing the zoning district designation of the following described parcel of land from Residence B to Limited Manufacturing:

A certain parcel of land on High Plain Street, Walpole, Mass., dated July 12, 1972, by Barnes Engineering Company, Inc., as Lot 1A, bounded according to said Plan as follows:

EASTERLY: by land of E. Le Stan et ux., 276.31 feet;
NORTHEASTERLY: by land of E. Le Stan et ux., 20.26 feet;
EASTERLY: by Lot 3A, 239.14 feet;
NORTHEASTERLY: by Lot 3A, 59.61 feet;
SOUTHEASTERLY: by Lot 2, 239.47 feet;
SOUTHWESTERLY: by High Plain Street, 370.82 feet, and
NORTHWESTERLY: by land now or formerly of Tikofsky, 607.91 feet.

After Discussion,

VOTED: To Close Debate.

On Standing Vote, Motion was then:

VOTED: YES - 89 NO - 15

ARTICLE 9

VOTED: That Article 9 be divided and voted on in eleven separate sections.

SECTION ONE

VOTED: That the Town take NO ACTION.

VOTED: YES - 82 NO - 3

VOTED: To adjourn this Special Town Meeting to Wednesday, November 4, 1981 at 7:35 PM in the Eleanor N. Johnson Middle School. The Moderator so declared at 11:00 PM.

COMMONWEALTH OF MASSACHUSETTS TOWN OF WALPOLE ADJOURNED ANNUAL TOWN MEETING NOVEMBER 4, 1981

Norfolk, ss.

Pursuant to the foregoing adjournment of October 28, 1981, the adjourned Annual Town Meeting was called to order at 7:30 PM by Moderator Robert B. Boyd. All rules and regulations concerning the call of an adjourned town meeting were fulfilled and a quorum was present.

The Assembly pledged allegiance to the Flag.

The following Tellers were appointed: Bernard Rivers and Maureen Rivers.

RESOLUTION

On Resolution offered by David L. Wakefield, Chairman of the Finance Committee, It was Moved, Seconded and VOTED:

BE IT RESOLVED THAT:

WHEREAS, J. Jeffrey Sullivan was a former member of the Finance Committee, a Town Meeting Member and a valuable citizen of the community, we salute his many accomplishments by observing a minute of silence in his memory.

BE IT FURTHER RESOLVED THAT:

The Town Clerk so note this vote in the minutes of the Town Meeting and send a copy of this Resolution to the family in remembrance of Jeff's contribution to the Town of Walpole.

VOTE: UNANIMOUS

ARTICLE 9

Section One and *Section Two* of this article, which was divided into eleven separate sections, was voted at the Annual Town Meeting session of October 19, 1981.

SECTION THREE

That the Town vote to delete the existing wording of Section 6-B-3 and insert the following: "No sign shall contain colored lights except for temporary warning signs for the safety of the Public."

After Discussion,

VOTED: To Move the Question.

On Standing Vote, Motion of the Planning Board was then:

VOTED: YES - 79 NO - 4

SECTION FOUR

That the town vote to amend paragraph 6-c-Window Signs of the Zoning By-Laws to read as follows:

"Signs painted or placed on the inside of the glass of a window shall not exceed 30% coverage."

SECTION FIVE

VOTED: That the Town vote to amend Section 6-D, Temporary Signs, of the Zoning By-Laws to read as follows:

"Temporary signs which comply with this by-law shall be permitted. Before a temporary sign (other than a temporary sign placed in a window) shall be erected, there shall be deposited with the Building Inspector a sum as set forth in the Inspection Fee Schedule in cash for each sign. The deposit shall be refunded only upon removal of the sign by the owner or his agent. Temporary signs which do not comply with the by-law may be authorized by the Building Inspector for public or charitable purposes.

STANDING VOTE: YES - 78 NO - 5

SECTION SIX

VOTED: That the Town vote to amend Section 6-5-Accessory Signs in Non-Residence Districts of the Zoning By-Laws as follows:

"In an area in a non-residence district, signs permitted under 6D, 6E and the following accessory signs are permitted."

VOTE: UNANIMOUS

SECTION SEVEN

VOTED: That the Town vote to amend Section 6-F-3 of the Zoning By-Law to read as follows:

"3. The Building Inspector may permit the erection of a standing sign if the Building Inspector finds that the sign complies with Section 6-B and with the purpose of this by-law. If such permission is granted, the Building Inspector shall impose such terms and conditions as he shall deem necessary to promote the purposes of this by-law; provided, however, that no such sign shall exceed forty square feet in area or shall be located within one hundred (100) feet of an existing dwelling or property boundary line or within ten (10) feet of the paved portion of the street which provides access for the purpose on which the sign is to be located."

VOTED: UNANIMOUS

SECTION EIGHT

VOTED: That NO ACTION be taken.

SECTION NINE

VOTED: That the Town vote to amend Section 6-H-1 of the Zoning By-Law to read as follows:

"1. The erection and maintenance of non-accessory signs is not permitted, except as provided in subsection 2 of this section, and applicable sections of this by-law."

VOTE: UNANIMOUS

SECTION TEN

VOTED: That the Town amend Section 6-H-2 of the Zoning By-Law to read as follows:

2. The Building Inspector may permit the erection of a non-accessory sign not exceeding twelve (12) square feet in area provided that: a. the sole purpose of the sign is to inform the public of the location of a premise, the location of which could not be readily determined by the general public.

b. the signs are located and designed so as not to pose a hazard to traffic and so as to conform with the esthetic nature of the general locus of the proposed sign.

VOTE: UNANIMOUS

SECTION ELEVEN

VOTED: That the Town vote to amend Section 6-K - Administration and Enforcement of the Zoning By-Law to read as follows:

The Building Inspector is authorized to order the repair or removal of any sign and its supporting structure which in his judgment is dangerous or in disrepair or which is erected or maintained contrary to this by-law. Whenever a Building Inspector is appointed, the Board of Selectmen shall send his name and address to the Outdoor Advertising Board. No sign shall be erected, altered, or enlarged until a permit has been issued by the Building Inspector. Such permit shall be issued only if the sign complies or will comply with all applicable provisions of this by-law.

VOTED: UNANIMOUS

ARTICLE 10

VOTED: That the Town amend Section XVI of the By-Laws of the Town of Walpole as follows:

ARTICLE XVI

JUNK DEALERS AND COLLECTORS

Section 1. The Board of Selectmen may, pursuant to the General Laws of the Commonwealth and the local zoning by-laws, license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, second-hand articles, *precious metals and precious stones* in the town. They may license suitable persons as junk collectors to collect, by purchase or otherwise, junk, old metals, second-hand articles, *precious metals and precious stones* from place to place in the town; and they may provide that such collectors shall display badges on their persons or upon their vehicles or upon both, when engaging in collecting, transporting or dealing in junk, old metals, or second-hand articles, *precious metals and precious stones* and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Chief of Police or by any officer by him authorized thereto or the Building Inspector.

Section 2. Every keeper of a shop, for the purchase, sale or barter of junk, old metal or second-hand articles, *precious metals and precious stones*, within the limits of the town, shall keep a book in which shall be written, at the time of every purchase of any such article, a description thereof, the name, age, and residence of the person from whom, and the day and hour when such purchase was made; such book shall be at all times open to the inspection to the Board of Selectmen or any other person by them authorized to make such inspection; and every keeper of such shop shall put, in a suitable and conspicuous place in his shop, a sign having his name and occupation legibly inscribed thereon in large letters, and such shop and all articles of merchandise therein may be at all times examined by the Chief of Police or by any police officer by him authorized or by the Building Inspector to make such inspection; and no keeper of such shop, and no junk collector shall, directly or indirectly either purchase or receive by way of barter or exchange, any of the articles aforesaid of a minor or apprentice knowing or having reason to believe him to be such; and no article purchased or received by such shopkeeper shall be sold until at least *fourteen (14) days* from the date of its purchase or receipt has elapsed. Such shop shall be closed between the hours of 9:00 PM and 7:00 AM and no keeper thereof and no junk collector shall purchase any of the articles aforesaid during such hours.

ARTICLE 11

VOTED: That the Town take NO ACTION.

ARTICLE 12

VOTED: That the Town take NO ACTION.

ARTICLE 13

VOTED: To divide this article into four (4) sections.

SECTION ONE

VOTED: That the Town approve the amendment to the Personnel By-Laws:
New Position: Technical Services Librarian Grade 7

SECTION TWO

VOTED: That the Town approve the amendment to the Personnel By-Laws:
New Position: Assistant Childrens Librarian Grade 5

SECTION THREE

VOTED: That the Town approve the amendment to the Personnel By-Laws:
Delete Position: Assistant Librarian Grade 7

SECTION FOUR

That the Town approve the amendment to the Personnel By-Laws:
Salary Schedule for Fiscal Year 1981/1982
Full and Part-time Non-Union Employees
